**Kailash Nagar residents plead**

Luxuriant crop of congress grass has grown on one side of the (tributary of Ranbir canal) passing through Kailash Nagar towards Talab Tiloo Jammu.

This grass has become a source of nuisance for people of the area as some elements take its advantage to carry out anti-social activities in the area.

Besides, it has polluted environment of the area and kept morning walkers out of its bounds.

Not only that the canal has become a spot for washing vehicles. Everyday people are seen washing their cars and matadors forcing residents especially women folk to stay indoors or avoid the area.

Request is made to the authorities to stop these activities at the earliest and ensure that congress grass is destroyed at the earliest to save residents from inconvenience.

Yours etc....

**Repair Butanagar water tank**

We, the residents of Butanagar want to draw the attention of the PHE authorities towards water shortage in the area.

The water shortage has arisen due to leakage in water tank at Sesoo Samadhi Paloura.

It may be mentioned here that a water tank which was constructed in 2009 collapsed in the same year, the debris of which is still lying there. Since then no action has been taken to redress the water shortage in the area.

The authorities are requested to repair the existing one at the earliest to augment water supply in the area.

**Shortage of staff in GDC Mendhar**

It is to bring in the notice of the concerned authorities that Government Degree College Mendhar is beset with numerous problems. The first and foremost is shortage of staff in the College. There are 24 sanctioned faculty posts in the college out of which only 08 are permanent. Out of the existing strength, four staff members were transferred to other place, without any replacement. This has reduced the staff strength which in turn is affecting the academic environment of the college. The librarian and physical teacher posts are too are lying vacant.

The matter has already been discussed between Jammu and Kashmir Pehari United Front and Principal of the college. In this context, it is requested to the authorities to redress the issue raised by acting swiftly on the matter.

**Make sugar available**

The people of Jammu witnessed shortage of sugar at CAPD outlets during Ramadhan month. This is perhaps for the first time that no sugar was available at these outlets. One does not know why. It is ironical that Kashmir division has sufficient sugar quantity available at CAPD outlets but Jammu has been discriminated once again.

It is requested to the CAPD authorities to make sugar available at the outlets before Eid festival.
