the Pakistan as well as UPA Government led by Dr Manmohan Singh for its weak kneed policies towards Pakistan.

To condemn the killings a protest demonstration was held by BJYM here today. Led by its State president, Ravinder Raina, the irate BJYM activists torches the Pakistani flag and shouted slogans against the Pak Government

The BJP activists also held protest demonstrations in Rajouri and Poonch. At Rajouri the protest was led by senior BJP leader Kuldeep Raj Gupta while at Poonch it was led by Pardeep Kumar and Sunil Gupta.

Addressing the protesters at Jammu, Ravinder Raina said, that Indian Government should pay Pakistan in the same coin as it does not deserve any friendly treatment. Pakistan has been now fully

review its policies towards Pakistan.

Another protest was held by activists of Dogra Front and Shiv Sena J&K here today under the leadership of Ashok Gupta. The activists of two organizations also took out a protest march from Rani Park to City Chowk. The protesters also torched the Pakistani flag. Mr Gupta, while making a dig at Pakistan said that on one side the Prime Minister of that country Nawaz Sharief has taken an initiative of peace talks with India and on the other, the Pakistan continues sending the armed desperados inside India and indulge in killing of security forces and Army personnel on borders.

He demanded that India should pay Pakistan in the same coin. He also urged the Prime

Minister, Dr Manmohan Singh to come out with a statement in the Parliament and criticized the policies of UPA Government.

He said that Dr Singh should not meet his Pakistani counterpart on the sidelines of UN General Assembly Session next month in New York in protest against the Pakistan's involvement in killing of Indian soldiers and innocent people and continuing support to terrorist activities against India on its soil.

Another protest rally was organized by National Secular Forum (NSF) University of Jammu Unit in front of University gate resulting in the disruption in movement of vehicular traffic on this busy road.

The protesters shouting slogans against the Pakistan and Congress led UPA Government said the killing was the result of weak-kneed policies of Indian Government. Addressing the protesters Sukhdev Singh president of the organization said that the Government of India should come out with a clear cut and firm response to today's Pakistani attack which has become a routine affair.

A massive protest was also held in Poonch by VHP against the killings. The protesters torching the Pakistani flag and raising anti Pak slogans also held the weak-kneed policies of UPA Government responsible for increasing terror activities in the State. They demanded tough action against Pakistan.

A protest demonstration was also held by Jammu West Assembly Movement led by its president Sunil Dimple. Protestors, while raising anti Pak slogans torched the flag of Pakistan. Addressing the demonstrators Mr Dimple said that India should snap diplomatic ties with Pakistan for promoting terrorism and killing of Indian soldiers and security forces in ambush.

The activists of VHP and Bajrang Dal also held a protest demonstration at Rajouri and torched the Pakistani flag. The protest was led by VHP leaders Yudhvir Gupta and Sat Pal Sharma and BD district president Karan Thakur.

Meanwhile, BJP National Executive member and chief spokesperson of the State, Dr Jitendra Singh while strongly condemning the killing said that a series of ambush attacks on Indian security forces in recent weeks including the one on this morning is a part of larger foreign conspiracy aimed at disarming the confidence of Indian republic.

He said that even as India seems unable to perceive the fact that Pakistan is India's traditional enemy and China is its permanent enemy, both of them think India as a meek enemy with resources and capability but without direction and aggression.

Dr Singh said, while the foreign sponsored militants are resorting to hi-tech methods of warfare and communication, India's preparedness needs to fast

catch up.

NPP chief patron Prof Bhim Singh has also strongly condemned the firing in Poonch Sector resulting into the martyrdom of five Indian soldiers. Describing it a deep conspiracy of Anglo-American bloc to use Pakistani Army against any peace efforts between India and Pakistan, Prof Singh, said Pakistan needs democracy which does not suit the Pakistani Army.

Mast Nath Yogi president Janata Dal (JD) Secular has also strongly condemned the killing of five soldiers by Pakistani troops and demanded that Govt should take a strict action against Pakistan.

BJP leader Vivod Gupta has also strongly condemned the killings and said Pakistan should be given a befitting reply and not tolerated for its misadventures any more.

Minister of State for Health, Shabir Ahmed Khan has also condemned the Pak firing in Poonch area and expressed deep grief and shock over the martyrdom seven Indian soldiers.

He expressed his total solidarity and sympathy with the bereaved families and prayed for the eternal peace of the departed soul.

UDHAMPUR, Aug 6: Coming down heavily on the protagonists of trifurcation of Jammu and Kashmir, National Conference Provincial President Devender Singh Rana on Tuesday described the voices being raised in this regard as anti-national.

"Jammu and Kashmir has to shine, prosper and progress as a single entity", he declared while addressing National Conference workers at Jaganoor, here, this afternoon.

The Provincial President referred to the great role of his party in maintaining unity of the State by ensuring equitable development and assuaging the socio-economic and cultural

aspirations of the people of Jammu, Kashmir and Ladakh. He castigated those demanding separate statehood for Jammu and said this speaks of their myopic political understanding and divisive mindset.

Such tendencies are needed to be curbed and nipped in the bud, he said, adding that the secular and democratic people of the State will have to play their useful and crucial role in this regard.

"Unity in Jaganoor on Tuesday. diversity has been great strength of culturally and linguistically diverse Jammu and Kashmir, which the proud people have demonstrated unequivocally during most testing times", Mr Rana said. He cautioned the elements inimical to the State's unity and its plurality, saying they stand exposed and marginalised for pursuing anti-people agenda with political short sightedness. "The people have rejected these forces with the contempt they deserved", he main-

they make a common cause when it comes to dividing the people for furthering their nefarious agenda. "As a representative and responsible party, National Conference will fight tooth and nail the elements against larger public interest", he said, assuring the people that his party will strive hard for the legitimate cause of the people of Jammu and Kashmir.

Mr Rana questioned the political legitimacy of PDP, which he

Mr Rana questioned the political legitimacy of PDP, which he

alleged was hobnobbing with BJP in Jammu for deriving assumptive electoral gains by becoming a partner in whipping up divisive and communal passions. They did their worst in 2008 by polaris-

ing the situation in the two regions of the State for deriving political mileage.

Terming Panthers Party as Team-C of BJP-PDP combine, Mr Rana said that the party has bartered the interests of the people in lieu of loaves of power, even if it meant compromising with the mandate the people had given them. He criticised the Panthers legislators for ignoring developmental needs of their constituencies.

**People protest, block Budhal road**

RAJOURI, Aug 6: People from Tarala village near Manore Galla held protest demonstration and disrupted movement of traffic on Rajouri-Budhal road for about six hours today.

The villagers came out on the road at around 8 am today after some houses suffered damage due to rain and land slides. They alleged that during road widening, the GREF authorities indulged in massive cutting of sides. They did not raise protection walls on the hill side and their houses suffered damage due to negligence on the part of GREF officials.

The villagers raised barricades and blocked Budhal road for more than five hours. Police party led by SHO and tehsildar Kotranka reached but people refused to clear the road. Later senior GREF officer reached there and assured to compensate the affected families and also agreed to raise protection walls on war footing there. The people then lifted dharna around 2 pm.
