All households to be electrified before 2022: Goyal

Mr. Goyal said the previous attempts at addressing the DISCOMs’ losses or debt with their generation or distribution businesses were unsuccessful, and the correlation between DISCOMs’ financial and operational turnaround and their losses or debt was also not an issue.

He further said that the previous attempts were not aimed at addressing the DISCOMs’ losses or debt with their generation or distribution businesses, and the correlation between DISCOMs’ financial and operational turnaround and their losses or debt was also not an issue.
