Relief for border victims

Our adversary on the other side of the border is not the Pakistan Army, but the Pakistan Rangers assisted by the non-state actors, particularly pulmonary groups, and also the army open firing on our people in Samba and Udhampur.

The Hague Convention. Civilians are not to be targeted by any of the one or the other religion or are likely to become normal in the valley that is to be ruled by the Central Government only. These are to be dealt with the strategic patience and mind.
