**A sad tale of West Pakistan refugees and others**

**Brig Anil Gupta**

B etter and wider perspective of tourist indust- 
ry can be the anvil. First the most elevated in the world. The West Pakistan refugees and others have been left behind, their lives were put to worse. They are the victims of war and conflict. The refugee problem is not new, but the West Pakistan refugees and others have been dispossessed of their homes, forced to flee their native land, and are now living in foreign countries. They are the displaced people of the world. They are the victims of war and conflict. They are the refugees of the world.

The West Pakistan refugees and others have been left behind, their lives were put to worse. They are the victims of war and conflict. The refugee problem is not new, but the West Pakistan refugees and others have been dispossessed of their homes, forced to flee their native land, and are now living in foreign countries. They are the displaced people of the world. They are the victims of war and conflict. They are the refugees of the world.
