

From page 1

Cong deliberately ignored far-flung areas: Dr Jitendra

each and every region, with particular focus on remote and backward pockets for ensuring Sabka Saath Sabka Vikas," he said.

Besides, he added, there had not been even a single corruption charge against any Minister of the present Government at Centre during the past four years and this was the commitment of PM Modi.

Dr Jitendra Singh urged the youth to participate in building the nation stronger as youth represents the country and country always belongs to young people who have right to decide everything. "Gone are the days of Congress when a powerful coterie of a particular family was at the helm of affairs. Prime Minister Modi is very much keen that youth should participate in Government decisions, policy making and taking country to the level of developed nations," he added.

Admitting that Ramban is one of the most backward areas, the Union Minister said that like many of his colleagues, he has been working full time under the leadership and directions of Modi for the development of such areas in J&K as well as in North Eastern States. He claimed that out of the total amount of Rs 2400 crores sanctioned for the construction of the link roads under PMGSY in State, major part of amount has been earmarked for Ramban, Doda and Kishtwar districts. However, he added, development is a continuous process and the effect of such major projects can be made visible after taking due course of time.

Dr Jitendra Singh's visit to

Farooq for Spl Assembly session

for all of us to see", the NC president told the meeting.

"The PDP-BJP Alliance has left no stone unturned to divide the people of the State along regional and religious lines to seek their own specific political dividends. While the BJP continues to pit the people of Jammu against their brothers and sisters in Kashmir as a deeply divisive and dangerous political strategy, the PDP in Kashmir sought votes against the BJP before aligning with it post elections - eroding the sanctity of its mandate and pushing our youth towards turmoil and disenchantment. The ramifications of this opportunism - of this brazen sellout have been disastrous. Today the fault lines between various regions of our State have become deeper than they ever were as shrill, polarizing rhetoric has changed the narrative into an 'us versus them' debate in respective regions of the State. This is a very dangerous trend and the slide needs to be checked immediately before it's too late and the situation becomes irretrievable", he said.

The National Conference president expressed serious concern over the deteriorating law and order scenario in the State and said the unabated spate of civilian killings was pushing the

remote Ukhral in Ramban was also in connection with nationwide campaign to celebrate birth anniversary of Dr B R Ambedkar as "Social Justice Day" and Gram Swaraj Abhiyan in the district.

He claimed that in the present Government under the able leadership of Modi, Dr Bhimrao Ambedkar has been given the true, deserving tribute and respect.

On the demand of a Degree College at Ukhral, Dr Jitendra Singh said that he would try his level best to establish it under the Rashtriya Uchhtar Shiksha Abhiyan (RUSA) - a Centrally Sponsored Scheme and added that he would strive to provide the financial support for every such important facility as could not be fulfilled by the State. He also assured to look into the issues of VDC members and other demands.

MLA Ramban Neelam Kumar Lengeh, Deputy Commissioner, Ramban Tariq Hussain Ganai, SSP, Ramban Mohan Lal, Chairman JAKFED, Munish Sharma, and BJP district president, Ramesh Kumar were also present on the occasion.

Earlier, MLA Neelam Lengeh, while addressing the gathering, also listed achievements of the BJP Government at Centre and the State besides failures of the Congress regimes. He also brought several developmental issues and demands to the notice of the Union Minister and sought their early redressal.

Chairman JAKFED Munish Sharma, BJP district president Ramesh Kumar and others also addressed on the occasion.

Dr Jitendra Singh's visit to

Farooq for Spl Assembly session

youth towards a path of unimaginable anger and hostility. "We are deeply concerned at the spate of unabated civilian killings in the Valley and at the Government's shocking abdication of responsibility to prevent these killings. The State Government cannot blame the dead for dying. The Chief Minister should introspect and listen to some rare calls of conscience in her own party - including that of her brother, Tassaduq Mufti who recently said the PDP and the BJP were 'partners in crime', he added.

"I also implore all of you to continue playing a constructive role in blunting the edge of a communal narrative and a divisive politics that threatens our State's amity and brotherhood. Each one of us should rebuild the bridges of trust and mutual brotherhood between the three regions of the State and swear by the integrity and unity of Jammu and Kashmir. Those trying to divide the State by poisoning people of one region against the other are playing with fire and will never succeed in their ulterior motives", the National Conference president said.

And in the meantime, former Chief Minister and leader of Opposition, Omar Abdullah today questioned BJP legislator Lal Singh's assertion that he had participated in the rally organized by Hindu Ekta Manch in favour of accused in Kathua minor rape and murder case to defuse tension.

"I don't understand how inciting the local people to protest & how threatening the police against making any arrests was meant "to defuse tension", Omar said in his reaction on social networking website twitter.

However, the Full Commission found that much of the claims made by the Government were not based on the actual physical verification of the work done under these schemes, sources said, adding "the Commission has found information provided by the Additional Secretary short of the requirement and only drawn from the record of the Rural Development Department."

"It is not known whether the funds have been spent on the schemes and whether the works were executed on the ground", the SAC said while seeking seven point information along with the proof from the Commissioner/Secretary of the Rural Development Department within a period of four weeks.

The Commission has sought record of the surveys conducted to identify beneficiaries under

Man shot at by militants
Moolu Chitragam and fired upon him from a close range leaving him critically injured". "Consequently the civilian was evacuated and admitted in the hospital. His medical bulletin is awaited. Initial investigation reveals the complexity of outlaid ovalt LET in the attack. Police has registered a case FIR No. 109/2018 under Section 307 RPC, 7/27 Arms Act and started investigation into the matter", the spokesman added.

Meanwhile, a youth injured in clashes with the security forces in Kangan area of central Kashmir's Ganderbal district two weeks before succumbed at SKIMS today.

CM accepts resignations of Lal, Ganga; forwards them to Gov

Ministers, strength of the Ministry has come down to 22, leading to three vacancies.

As per the PDP-BJP agreement, PDP will have 14 Ministers-11 Cabinet and three MoS (including the Chief Minister) while BJP will have 11 Ministers-eight Cabinet and three MoS. The BJP Ministers included Sajjad Ghani Lone from the People's Conference, an ally of the BJP.

Sources said the Chief Minister could give charge of Forests and Industry and Commerce Ministries to some BJP Ministers pending expansion of the Cabinet and inclusion of two BJP leaders in the Ministry in place of Lal Singh and Chander Prakash Ganga.

There were indications that the BJP could take some time in deciding its two new faces in the Council of Ministers and till then additional charge of the two Departments can be held by the incumbent Ministers. The BJP leaders have already started lobbying for the Ministerial berths as replacement of Lal Singh and Ganga.

However, according to BJP sources, Ram Madhav, who presided over the Legislature Party meeting of the BJP here yesterday, didn't discuss any names as successors of the two outgoing Ministers.

BCI asks Jammu, Kathua bar bodies to call off strike

taken suo moto cognisance of a strike call given by the Kathua and the Jammu and Kashmir bar associations in connection with the gang rape and killing of an eight-year-old girl in Jammu region and issued notice to the bar bodies.

The Bar Association of Jammu had on April 13 said that it was extending its strike till April 17 against the "growing illegal presence of Rohingyas and Bangladeshi nationals," while alleging that its agitation for a CBI probe into the Kathua rape-cum-murder case was wrongly being portrayed as "communal".

"If we find that they were really indulging in misconduct and the strike was illegal and altogether objectionable, then we will take appropriate action. We can go to the extent of cancelling the licence of the lawyers. We have the power," Mishra said.

The Apex bar body has decided to send a team headed by former High Court Chief Justice Tarun Agarwala and comprising two co-chairmen of the council, S Prabhakaran and R G Shah,

SAC puts question mark on implementation of around Rs 1800 cr worth schemes in J&K

figures vis-a-vis work done under this scheme till ending March 2018.

As far as Swachh Bharat Mission is concerned, the SAC was informed that an amount of Rs 165 crore was allocated for 2017-18 out of which an amount of Rs 116 crore was spent. With regard to integrated Watershed Management Programme it was informed that an amount of Rs 44 crore was allocated out of which Rs 33.96 crore was spent.

However, it was submitted before the SAC that under National Rural Livelihood Mission no budget was provided by the Central Government and the Rural Development Department was only acting as a facilitator in creating the Self Help Groups. Shockingly, he could not furnish details about the number of groups created.

As far as Rurban Mission is concerned, the SAC was informed that an amount of Rs 15 crore was allocated for 2017-18 and so far three projects have been conceived under this scheme in which Rs 15 crore have to be spent.

However, the Full Commission found that much of the claims made by the Government were not based on the actual physical verification of the work done under these schemes, sources said, adding "the Commission has found information provided by the Additional Secretary short of the requirement and only drawn from the record of the Rural Development Department."

"It is not known whether the funds have been spent on the schemes and whether the works were executed on the ground", the SAC said while seeking seven point information along with the proof from the Commissioner/Secretary of the Rural Development Department within a period of four weeks.

The Commission has sought record of the surveys conducted to identify beneficiaries under

"There was no discussion on the names for induction in the Ministry or the timing of expansion of the Cabinet," sources said, adding the issue didn't figure in yesterday's meeting as number of MLAs were supportive of the demand for CBI probe into Rassana incident for which Lal Singh and Ganga were asked to resign.

Ram Madhav could discuss names for inductions into the Cabinet with BJP national president Amit Shah after the things settled down in Jammu, sources said.

They added that the resignations of Lal Singh and Chander Prakash Ganga were received by the Chief Minister from BJP State chief Sat Sharma this morning which were immediately accepted and forwarded to Governor N N Vohra for completing the procedural formalities, they said.

Ram Madhav, who had held consultations with legislators of the party here yesterday, had announced the resignations would be forwarded for further action thereby ending a simmering political crisis in the State.

Both Lal Singh and Ganga had maintained yesterday that they had been sent by the party to Kathua to understand the ground situation and they had done nothing wrong.

BCI asks Jammu, Kathua bar bodies to call off strike advocate Razia Begum and independent lawyer Naresh Dixit.

The BCI chairman also said that the team will visit the State on April 20 to investigate the matter and after consulting all the persons concerned, it will submit its report to the bar council which will in turn submit its report before the apex court.

"Since the case is fixed on April 19 and the team is going on April 20, we will seek two or three days adjournment in the Supreme Court," Mishra said.

The minor victim had disappeared from near her home in a village near Kathua in Jammu and Kashmir on January 10. Her body was found in the same area a week later.

The Crime Branch of J-K Police, which probed the case, filed a main charge sheet against seven persons and a separate charge sheet against a juvenile in a court in Kathua district earlier this week.

The charge sheet revealed chilling details about how the girl was allegedly kidnapped, drugged and raped inside a place of worship before being killed. (PTI)

SAC puts question mark on implementation of around Rs 1800 cr worth schemes in J&K

these six schemes; details of the amount spent under each scheme identifying the beneficiaries and the locations; proof of the job cards supplied and the amount transferred to the beneficiaries' bank accounts under each scheme; proof of the demand made under MGNREGA scheme by the beneficiaries from different areas of the State; whether any supervisory/monitoring mechanism was set up by the Rural Development Department to conduct any physical verification of the works under these schemes, if any, the particulars of such supervisory body; list of the Ombudsmen appointed in 22 districts with all their particulars to enable the SAC to summon them and obtain record on physical execution of various works under these schemes and details of the Social Audit Unit to be set up along with the details of its operations and reports along with the personnel comprising such Social Audit Unit.

Stating that Government should set up a supervisory mechanism of its own to report progress of the execution of the works on weekly/monthly basis, the SAC said, "in case of default the Commission may set up its own mechanism to find out and ascertain the execution of the works on ground and whether the benefit of these schemes has flown to the beneficiaries".

In this way, the Commission has put a big question mark on the implementation of six major Centrally Sponsored Schemes in the rural development sector in Jammu and Kashmir and created major embarrassment for the Government, sources remarked.

It is pertinent to mention here that the SAC started the process of ascertaining the status of the implementation of various Centrally Sponsored Schemes in rural development sector in the wake of wide spread reports of non-implementation or shoddy implementation of these schemes in the State.

Man shot at by militants

Aamir Hameed Lone, 21, a resident of Chattergul Kangan, was admitted to SKIMS hospital in Soura area of Srinagar on April 3 after being seriously injured during the clashes which erupted in the area following the killing of a youth Gowhar Ahmad Rather.

A pall of gloom descended on Lone's village soon after his body reached his native place. Shoppers closed their shops, while transport came to a halt.

Apprehending protests, authorities made huge deployment of security forces in the area. A spontaneous shutdown was observed in Kangan area over the killing of Lone.

PDP, NC conveniently ordered, favoured CBI probe in many cases

and murder by the Crime Branch. In 2009 much publicized case of the killing of Nefolar and Asiya in South Kashmir's Shopian district, Chief Minister Mehbooba Mufti's PDP, which was in Opposition then, was in forefront in demanding CBI probe alleging that the girls had been raped and killed by security forces. Initially, the NC, which was running coalition with the Congress then headed by Omar, had ordered Judicial Inquiry into the killing by Justice Muzaffar Jan, but finally handed over the case to the CBI for "fair probe".

The CBI had concluded that the girls had died of drowning and gave clean chit to all five police officers including then SSP Shopian Javed Iqbal Mattu, who had been victimized, arrested and suspended. The PDP as an Opposition party then had refused to trust the police investigations but now as a ruling party, it was adamant on Crime Branch probe into Rassana rape and was refusing to handover the case to the CBI notwithstanding the majority view in Jammu, which was in favour of the probe by the Central agency as the people opined that the minor girl and her family should get justice with the arrest of real culprits, who perpetrated such a heinous crime.

In 2006 when PDP-Congress were running the coalition and National Conference was in Opposition, the NC had forcefully demanded handing over of Kashmir sex scandal to the CBI. The PDP-Congress Government had handed over case to the CBI in which bigwigs like top bureaucrat, politicians, Advocates, security officers etc were involved.

People here wanted to know from the PDP and NC that if their decisions to demand and order CBI probe into Shopian 'killings' and Kashmir sex scandal were justified, how the demand for similar probe into Rassana incident can be unjustified?

"Isn't it double standards of PDP and NC? If the CBI probe suits them, they demand it or order it? And now since the demand has been coming from Jammu especially from the areas, where these two parties have very little or even no political ground, they are opposing it," a number of people, who were interviewed on the issue by the Excelsior, observed.

But what has shocked the people of Jammu most is the "shameful stand" taken by the BJP, which has forced its two Cabinet Ministers to resign for supporting the demand of Hiranagar people for CBI probe into the killing.

"We had given BJP 25 out of 37

Firm asked to wind up for failure to complete Jhelum dredging

fresh tenders would be issued for the pending work. "The contract has ended on 31st of March and the company has been asked to wind up operations here. The project would have been completed but the water level remained low for last one-two years and that hindered the process," Axon irrigation and flood control Srinagar, Sartaj Singh, said.

Echoing him the Chief Executive Engineer I&FC, Shahnavaz Ahmad, when contacted, said: "New estimates will be taken up soon for the pending work."

The dredging of the river Jhelum was to be carried in two phases and phase-1 of the project was initiated in North and central Kashmir. For Bell Mouth to Panjinar stretch in Srinagar, the deadline for completing the first phase of dredging was January 2017 but the government extended the deadline to December 2017 due to 2016 unrest. And for Sopore to Baramulla stretch, the deadline for completing the first phase of dredging was September 2017. As the company failed to meet the target the March 31st was kept as the final deadline for the project and the company failed to meet that as well.

As per the experts, the river Jhelum at its peak could hold more than 30000 cusecs of water and due to the accumulation of silt for many years the carrying capacity had reduced to mere 10000 to 15000 cusecs.

Out of the total 16.15 lakh cubic meters of silt in the river, only 12.35 lakh cubic meters, a little over 76 percent, have been dredged so far, as per the figures of the department of I&FC.

Of the allocated work of dredging around 8 lakh cubic metres

Trial in Kathua case to begin today

Judicial Magistrate will, however, hold the trial for the juvenile as it is the designated court under the Juvenile act, according to officials.

The Jammu and Kashmir Government has appointed two special public prosecutors, both Sikhs, for the trial in the sensitive case, a move being seen as made to ensure "neutrality" in view of Hindu-Muslim polarisation over the case.

The trial is expected to go smoothly after the Jammu Bar association as well as the Kathua Bar received a rap on the knuckles by the Supreme Court on April 13

Assembly seats in Jammu region and both the Lok Sabha seats but look, how badly and miserably, they have let us down. They have brought shame to the people of Jammu by their stand of not supporting the demand of CBI probe and dismissing two Ministers under the influence of totally misleading coverage by Kashmir-centric national media and to appease their coalition partner to stay in power," the people said and vowed to teach the BJP a strong lesson in the next Lok Sabha and Assembly elections.

Records revealed that the State High Court had on November 21, 2012, cast serious aspersions on Jammu and Kashmir Police probe into the killings of 19 people, 13 of them women, by the militants at village Sailan in Surankote tehsil of Poonch district in 1998.

The Jammu and Kashmir Police have taken no action for 14 years. These were the remarks of the State High Court on November 21, 2012 while handing over investigations of brutal killing of 19 civilians at Sailan, Surankot, to the Central Bureau of Investigations.

Jammu and Kashmir Police has failed to solve the missing case of 12 year old child for two years. These were the words of the State High Court on February 12, 2016 while handing over the missing child case of Vijaypur to the CBI.

The Crime Branch of Jammu and Kashmir Police had after 13 years of investigations into the missing of holy Quran manuscript bearing seal of Mughal emperor Aurangzeb from Srinagar Museum, closed the case. The High Court had ordered CBI probe into the theft on September 22, 2016.

Majority of people in Jammu were of the view that the Jammu and Kashmir Government should have learnt lessons from Haryana Government, which handed over the school child murder case to the CBI and within days, entire course of investigations was changed. Initially, police had arrested a conductor of the school bus for murder and forced him to confess the killing but the CBI established that a school student was the accused and ordered release of the hapless conductor.

Even the Uttar Pradesh Government immediately handed over Unnao rape case to the CBI in which ruling BJP MLA was involved.

"If the Government is really interested in giving justice to Rassana rape victim and her family, it should handover the case to the CBI immediately for free, fair and impartial probe, which would lead to the arrest of real culprits," the people said, adding if all those arrested presently turned out to be the accused even in the CBI probe, they should be hanged.

BJP seeks Mir's removal, Cong rejects

unit chief. In the video, which was played during a press conference at the BJP headquarters here, Mir is purportedly telling reporters that the locals believed the investigation was motivated and that the main culprits were still at large.

Questions would be raised and there must be some justification in the people's demand, Mir said, wondering if the probe was aimed at making some political points.

"When our Ministers expressed these sentiments, the Congress, the media made a lot of noise. We took action. They resigned. Now we want to ask Rahul Gandhi, who took out a candlelight march (protesting the growing incidents of crime against women in the country), why is he not taking action against his party's State president," Javadekar said.

Pointing fingers at others while protecting its own was the character of the Congress party, he alleged.

The authenticity of the video could not be independently verified by PTI.

The BJP had faced flak after its leaders in the Jammu region, including two Ministers in the Mehbooba Mufti Government, joined the public protests against the police probe into the brutal rape and murder of an eight-year-old girl from the nomadic Bakerwal Muslim community that had led to the arrest of eight persons.

The two Ministers -- Lal Singh and Chander Prakash Ganga -- resigned on Friday, soon after Prime Minister Narendra Modi said these incidents, including a rape case in which a BJP MLA from Unnao district of Uttar Pradesh is the accused, had shamed the country and that justice would be ensured in all the cases.

Javadekar also demanded an apology from senior Congress leader Ghulam Nabi Azad, noting that Bar Association of Jammu president B S Slahia, who had led the public protests against the police probe, was his poll agent in the 2014 Lok Sabha election.

Meanwhile, the Congress today dismissed the BJP's demand of sacking its Jammu and Kashmir unit chief Ghulam Ahmad Mir for allegedly terming the Kathua rape and murder case as "motivated", saying it was because of his demand that the inquiry into the matter had seen some progress initially.

The Congress also termed as "misleading" the BJP's talk of its two State Ministers resigning from their posts for taking part in a protest march supporting those accused of raping and killing the

Conspirator's family for CBI probe

Kashmir's Kathua district, Ram's family members have been demanding an "impartial investigation by a credible agency". Sixteen women, who were on a fast demanding a CBI probe into the case, have been hospitalised in past 15 days.

"My father (Sanji Ram) and brother (Vishal) should be hanged to death if they are found guilty, provided the investigation is conducted by a credible agency. We want justice for the girl by a probe through credible agency and only such probe can ensure our father's and brother's innocence," one of Ram's daughters said.

"Media should have heard us, our side and our fears on the probe by the Crime Branch. Wanting a CBI probe to give justice to 8-year girl, meant to media that we were shielding culprits or creating hurdle in the probe. It was wrong. We always battled for justice for the girl," she said.

She expressed doubt about the credibility of the probe by the Crime Branch. "Being a girl, I am pained over the treatment meted out to the victim but I am doubtful over the probe being conducted by the Crime Branch," she said.

"We have doubts over the investigation and there are reasons for it. We strongly demand a CBI inquiry to ensure justice to the victim as well as the local people," she added.

7 years on, Pulwama DIET campus awaits completion

project. "Almost seven years have passed since its foundation stone was laid but there has been no headway in the project for last two years," he said, adding the Institute is running from a cramped makeshift arrangement.

Presently, the Institute runs from a makeshift arrangement in the local Government Boys Higher Secondary School. "It is really hard for teachers who come for training and the staff of the DIET to operate from a cramped space despite sanctioning of new campus," another official at the institute said.

Chief Education Officer (CEO) Pulwama, M A Salroo, said the

eight-year-old girl.

The opposition party claimed that it was because of the pressure exerted by the people and the protest march led by the ruling BJP take the action against its ministers.

Congress leader Pawan Khara said the party did not defend its Karnataka leader Dinesh Gundurao's remark that Uttar Pradesh Chief Minister Yogi Adityanath be shown slippers over Kathua and Unnao rape cases if he entered the State.

Khara said Gundurao was a father of two and like everybody else he was "deeply disturbed by what is happening to daughters in the country".

The BJP today released a video purportedly showing Mir calling the police probe in the Kathua case as motivated and defending the public protests against it. The saffron party demanded that Gandhi sack him.

"Mir sahab has clearly said that the video they are talking about is one or one-and-half months old because of Mir sahab's demand that there was some progress, action in the case," Khara told reporters here.

"So, the talk of sacking (by the BJP) someone is misleading. Today, in fact, they (the BJP) should have kept quiet. Today people are asking them questions, who are they (the BJP) to ask questions," he asked.

Hitting back at the BJP over the rape incidents, Khara accused Prime Minister Narendra Modi of providing merely a "lip service" and of taking time to respond to them.

Khara claimed that the two Jammu and Kashmir Ministers, Lal Singh and Chander Prakash Ganga, had to resign due to pressure.

"You removed two Ministers, that too in the wake of pressure... But why Ajay Singh Bisht, the Chief Minister of Uttar Pradesh, was not removed?," he asked.

"Everywhere you have these ghastly stories, barbarism of the worst kind. Everybody's blood boils today," he added.

Khara also played down as "noora kushti" (fixed match) the BJP's allegation that some AAP workers had sported saffron "gamchhas" and raised provocative slogans in front of a mosque in Delhi during a Ram Navami procession to instigate riots.

"We have been talking about their noora kushti (fixed match) since the time the AAP was formed. Time and again we get to see how they play politics complementing each other," he alleged. (PTI)

Conspirator's family for CBI probe

Her younger sister also questioned the Crime Branch's investigation asking how could a father call his son for raping a minor girl - as claimed in the chargesheet.

"Can you imagine what this (statement in charge-sheet of Crime Branch) means? It is shameful that someone says an old man called his young son from his college in UP to rape a little girl," she said.

The issue was being politicised, she said, and claimed that their voice had been muzzled in political war.

The family said that the chargesheet had not only given bad name to the hamlet but also "discredited" all the Dogras of the area. "The body of the girl, from the Bakerwal community, was recovered from Rassana forest on January 17, a week after she went missing while grazing horses in the forest area."

On January 23, the Government had handed over the case to the Crime Branch of the State police which formed a Special Investigation Team and arrested eight people including two Special Police Officers (SPOs) and a head constable, who was charged with destruction of evidence.

The Crime Branch of Jammu and Kashmir Police filed a main charge sheet against the seven accused on Monday last and one separate charge sheet against another accused, who was earlier said to be a juvenile, at a court in Kathua district on Tuesday last. (PTI)

REMEMBRANCE
On this date, you left us for your heavenly abode.
We miss you each & every moment.
May God bless your Soul with eternal peace.
