Army Comdrs' meet begins

NEW DELHI, Apr 15:

Top Army Commanders will review the regional security architecture and deliberate on key challenges facing the nation, particularly along the borders with China and Pakistan, at a six-day-long conference beginning here tomorrow.

Army officials said the conference, to be chaired by Army chief Gen Bipin Rawat, will also deliberate on "specific issues" relating to various frontline formations and explore ways to speed up infrastructure development along the border with China.

There will be detailed discussions about the situation along the borders with China and Pakistan, they said.

"Important issues that are likely to be discussed are management of the extant security dynamics, mitigation of future security threats and enhancement of combat edge over potential adversaries," Army PRO Col Aman Anand said.

He said other issues like infrastructure development for capacity enhancement along the northern borders, review of strategic railway lines, optimisation of limited budget to ensure making up of critical deficiency in ammunition.

Officials said a major focus of the conference will be to bolster the Army's overall operational preparedness along the nearly 4,000 km long border with China.

Troops of India and China were locked in a 73-day standoff in Doklam from June 16 last year after the Indian side stopped building of a road in the disputed area by the Chinese army. The face-off ended on August 28.

Sources said India has deployed more troops and increased patrolling along the borders with China following the Doklam face-off.

Col Anand said issues relating to projects being implemented by the Border Road Organisation as well as matters relevant to welfare of troops will be discussed in detail.

The Army Commanders' Conference is held biannually for important policy decisions.

Officials said the conference will discuss the security situation in Jammu and Kashmir.

There will be subject-specific deliberations during the last three days of the conference which is also likely to discuss implementation of the modernisation process in the Army. (PTI)

Gunmen fire at Pak SC Judge

LAHORE, Apr 15:

The residence of a Supreme Court judge who is monitoring the corruption cases against ousted premier Nawaz Sharif came under firing by unknown gunmen today, triggering widespread condemnation in Pakistan.

No casualty or injury was reported in the firing incident at the house of Justice Ijaz ul Ahsan in Model Town Lahore.

According to a statement issued by the Supreme Court, Justice Ahsan's residence was targeted twice at 4:30am and 9am on Sunday.

Following the incident, Chief Justice of Pakistan Mian Saqib Nisar reached Justice Ahsan's house and summoned Punjab Inspector General Arif Nawaz Khan.

The Chief Justice is personally monitoring the situation, it said, adding that a forensic team has also reached the scene to collect evidence while ballistic experts are called in to determine the nature of fire.

The police officials are investigating whether it was a targeted attack or aerial firing, it said.

Police said two bullets have been fired - one at the entrance gate and other at kitchen door.

"Elite force commandos have cordoned off the area and investigation is underway," police spokesman Niyab Haider said, adding that the Rangers have also been deployed at the residence of Justice Ahsan.

Prime Minister Shahid Khaqan Abbasi, Punjab Chief Minister Shahbaz Sharif, Pakistan People's Party chairman Bilawal Bhutto and the Supreme Court Bar Association and Lahore High Court Bar Association condemned the incident.

Pakistan People's Party co-chairperson Asif Ali Zardari termed the attacks alarming and called for a judicial probe.

Prime Minister Abbasi directed the federal and provincial authorities to bring the culprits to task.

Cricketer-turned-politician and Pakistan Tehreek-i-Insaf chairman Imran Khan indirectly blamed Sharif for the incident.

"Strongly condemn the firing at Justice Ijaz ul Ahsan's house. These Sicilian-mafia-like tactics (referring to Sharif) to pressurise senior judiciary are unacceptable in any democracy. PTI stands firmly behind the Judiciary and rule of law," he said.

Justice Ahsan was also part of the Supreme Court bench that had disqualified Sharif from the office of the prime minister in the Panama Papers case. It had also called Sharif and company a "Sicilian mafia".

After the Panama Papers verdict in July last, Justice Ahsan was appointed as a monitoring judge in the three corruption references against Sharif and his children - Hasan, Hussain and Maryam - and his son-in-law Capt (retd.) Mohammad Safdar.

The Sharif family is primarily facing money laundering and amassing huge wealth abroad charges.

An accountability court in Islamabad is likely to announce a verdict in these references in coming weeks.

Dismissing the trial as farce and a conspiracy against him and his family, Sharif said it is likely that he is sentenced to jail in these 'fake references' and Adiala Jail Rawalpindi is being cleaned for the purpose. (PTI)

Intra-state e-way bill rolled out in 5 states

NEW DELHI, Apr 15:

E-way bill requirement for intra-state movement of goods have been rolled out in 5 states, including Gujarat and Kerala, from today.

The electronic e-way bill for inter-state movement of goods valued over Rs 50,000 was rolled out on April 1. The GST council had decided on a staggered roll out of intra-state e-way bill starting with 5 states — Gujarat, Uttar Pradesh, Andhra Pradesh, Telangana and Kerala.

From midnight till 5 pm today, about 2.4 lakh e-way bill (both inter state and intra-state) was generated on the portal, an official said.

The official said that there has not been much increase in the generation of e-way bill today on account of intra-state roll out.

On the day of inter-state roll out of e-way bill on April 1, about 2.89 lakh such bills were generated in 24 hours.

The official said one reason for not much increase in the number could be because Gujarat has mandated e-way bill for intra-state movement for only 19 items.

These items include edible oil, oil cakes, ceramic tiles, iron and steel, processed tobacco, gutkha, cigarette, cement, timber products, tea, marble and granite.

"Gujarat State hereby notifies that no E-Way Bill is required to be generated for intra-city movement as well as intra-state movement of all goods within whole of the territory of the State except for intra-state movement... Of 19 goods of consignment value exceeding Rs 50,000," said the notification of the Gujarat State Tax commissioner.

Since the roll out of e-way bill for inter-state movement of goods from April 1, more than 91 lakh such bills have been generated till yesterday. Karnataka is the only state which had rolled out e-way bill system for intra-state movement of goods from April 1. (PTI)
