Cong blames NDA flip-flop on Pakistan for Kashmir problem

NEW DELHI, Feb 13:

The Congress today hit out at the NDA Government over the "disturbing" situation in Jammu and Kashmir because of the Centre's "flip-flop" and "non-existent" policy on Pakistan, saying the time had come to act against terrorism being sponsored from across the border.

Congress president Rahul Gandhi also attacked the Prime Minister and the BJP-PDP alliance in the State, saying that while Narendra Modi was "dithering", soldiers were dying because of the "opportunistic" Government in Jammu and Kashmir.

"PDP says 'talks' with Pakistan. BJP Defence Minister says 'Pakistan will pay the price'. While our soldiers pay with their blood for BJP/PDP's opportunistic alliance and non-existent Kashmir policy; Modi Ji dithers," Gandhi tweeted.

Taking potshots at the divergent stands taken by the BJP and the PDP, ruling partners in the troubled state, the Congress asked the Government to clear its stand on whether it intended to hold talks with Pakistan.

Congress spokesperson Manish Tewari said while Chief Minister Mehbooba Mufti of the PDP wanted talks with Islamabad, BJP's Defence Minister stressed that India would respond to Pakistan at an appropriate time.

"We would like to ask the BJP at the national level because this has very profound national security implications where do they stand on the statement of the Chief Minister that we should be talking to Pakistan. It is a very disturbing situation which has evolved in J&K," he told reporters here.

Tewari said the Congress wanted to know if the Government had a policy on

Pakistan. "What transpired between 2014 May and 2018 February suffice to say that it has been a story of U-turns, flip-flops and somersaults," he said in an apparent reference to the bonhomie between Modi and Pakistan's Nawaz Sharif when the BJP came to power in 2014.

Tewari said one day Pakistan's premier was invited to India and on the other day, the Indian Prime Minister visited Pakistan — "but in between major terrorist attacks took place from Pakistan".

"It has been a litany of errors which has characterised the entire approach of this Government" vis-a-vis Pakistan, he said.

He wondered if the Government was talking to Pakistan and if any back-channel talks were being held with Islamabad.

The Congress leader said the NDA-BJP Government had come out with the formulation that terror and talks could not go together, but there could be "talking about terror".

"When will the time of talking about terror be over and when will you start acting on terror? This country does not want you to talk to Pakistan about terror; it wants you to act on the commitment that you had made to the people of India that you will act on the question of terror," he said.

"They need to act on terror rather than talk about terror and that is the position of the Congress," he said.

Tewari said the situation with regard to Pakistan was extremely serious and sensitive and called for an end to "this ingenuous formulation that while terror and talks cannot go hand in hand, we can talk to Pakistan about terror".

Expressing concern over the Jammu and Kashmir situation, he said there have been 206 major terror attacks in the past 45 months and 160 major ceasefire violations in the 44 days of 2018. He added that 2,474 ceasefire violations had taken place along the border under NDA rule.

Tewari also asked whether the recommendations made by the Compose committee after the 2016 Pathankot attack had been implemented.

On Defence Minister Nirmala Sitharaman's statement that "Pakistan will pay" for the attack by terrorists in Jammu, Tewari said it was repeated "ad nauseam whenever such an unfortunate incident takes place" and asked what had yielded out of talks with Pakistan in 44 months.(PTI)

Former MLA Dr Manohar Lal addressing public meeting at Dhamal village in Billawar.

BJP's policies added to woes of people: Ex-MLA

Excelsior Correspondent

KATHUA, Feb 13: Senior Congress leader and former MLA Billawar, Dr Manohar Lal Sharma today said that wrong policies of BJP Government have added miseries of the people.

Addressing public meeting at village Dhamal in Kandi block of Billawar constituency, Dr Sharma expressed serious concerns over the betrayal of BJP with people of Jammu. He alleged that PDP-BJP Government has failed on all fronts.

He said the people of Jammu region are accusing present dispensation for adopting anti-people and anti-police policies since its formation. The public of the entire area is suffering due to lack of basic day-to-day amenities like lack of un-interrupted power supply, portable water, non-availability essential commodities like ration, sugar and medical facilities and steep rise in the daily consumable commodities.

Dr Sharma said it is very unfortunate that the State as well as Central Government are imposing more tax in shape of toll tax i.e by increasing 80 to 100 Rs per quintal at Lakanpur and GST instead of decreasing to keep

control on prize rise of essential commodities and other key construction materials which is all time high.

He said the public of the entire Jammu region has suffered due to the lack of governance in the last more than two years. Virtually all the ministers remained busy in transfer and postings of their blue eyed persons and enjoying the comforts by making money out of these workings, whereas the people suffered for the want of basic amenities. He accused the BJP that it had surrendered the interests of the Jammuites for the sake of power and deceived the people who voted heavily in favour of the party during the last Assembly elections.

The Ex-MLA alleged that failure of the Government exposed the real face of BJP and its leadership before the public of the region. He said that BJP made tall claims and raised hollow slogans but after coming in power, it surrendered itself completely at the hands of PDP to enjoy power. He pointed out that condition of link road Dhamal is very bad, there is leakage in PHE reservoir Dhamal and pending work of black toping of Chhan Rorian road since 2014-15 has not completed till date.

People protest, demand Degree College at Panchari

Excelsior Correspondent

UDHAMPUR, Feb 13: Demanding Degree College at Panchari, locals held a protest demonstration and also submitted a memorandum to Governor through Deputy Commissioner Udhampur, Ravinder Kumar.

The protesting villagers raised slogans in support of their demand and said that a college for tehsil Panchari was required for implementation of Government programme 'Beti Bachao, Beti Padhao'.

There are four Higher Secondary Schools feeding the tehsil and Panchari is center place where only 5 to 15 percent students, especially girls pursue the higher education due to non availability of Degree College in the tehsil, they explained and added that if a college is established in Panchari the poor girls can continue their higher education.
