# REMEMBRANCE

## IN MEMORY OF OUR BELOVED KULBHUSHAN KOHLI JI

16th day of February 2017 will always remain unforgettable day to us when a precious Gem of our family was snatched by The Almighty. For that time it was felt that our life had ended too. This date of calendar has changed our whole life. It has been 365 days since you left us shattered, though we are learning to live without you. But we feel incomplete and wish you had remained with us sometime more. The pain of losing you will always pinch us forever. Time never stops, life goes on but without you. Your high values still guide us to proceed in life and we feel your presence in every step of our life. Whatever we shared will never die. It lives within our hearts, bringing strength while we are apart. Year has passed, life has moved on but not for a moment you were away from our hearts and memories. Each of your moments are cherished in our thoughts. Although we cannot bring you back but we are sure that you are showering good wishes every movement in our lives.  
**You are loved, You are missed and You are remembered. We miss you a lot. Bereaved family**
