

**Gujjar agitation enters 3rd day**

**Police vehicles torched, trains disrupted, highways blocked**

JAIPUR/NEW DELHI, Feb 10:

The Gujjar community agitation demanding five per cent quota in jobs and education turned violent today with shots being fired and police vehicles torched in Dholpur district and protesters blocking road and rail traffic in many areas in Rajasthan.

As a precautionary measure, authorities have imposed prohibitory orders under CrPc section 144 in Dholpur and neighbouring Karauli districts, police said.

At least 20 trains were cancelled and seven diverted during the day as the protesters, led by the Gujjar Arakshan Sangharsh Samiti chief Kirori Singh

Bainsla, continued their sit-in on railway tracks in Sawai Madhopur district for the third day today, officials said.

The sit-in began on Friday evening and has affected the movement of over 250 trains through the region since.

The agitators also blocked highways connecting major cities today.

According to police officials, three cases have been registered in connection with the blocking of traffic.

Violence broke out in Dholpur district as unidentified miscreants fired 8-10 rounds in

the air while a blockade on the Agra-Morena Highway was in place, Superintendent of Police (SP) Ajay Singh said.

The protesters set afire three police vehicles -- two jeeps and a bus, he added.

The SP said the protesters also pelted stones, injuring four personnel, adding that police had to lob tear gas shells to disperse the crowd.

The Hindoli-Uniyara state highway was blocked in Bundi district, where hundreds of people demonstrated throughout the day.(PTI)

**IndiGo to cancel 32 flights today**

NEW DELHI, Feb 10:

IndiGo has cancelled scores of flights in two days and will not be operating around 32 flights on Monday following shortage of pilots, a source said.

The country's largest airline has cancelled flights from IndiGo's from Delhi, Kolkata, Chennai, Bengaluru and Hyderabad, the source in the aviation industry said.

Many flights have been cancelled by the airline since Saturday. The carrier cancelled around 15 flights on Saturday and around seven on Sunday, officials at the Delhi airport said.

"The airline has been facing problems in crew management. Therefore, these flights - which had to depart from Delhi yesterday and today were cancelled," one of the airport officials said.

In a statement, IndiGo said that due to a severe hailstorm in North India on February 7, 11 IndiGo flights were diverted and that disrupted operations across our network the following day.(PTI)
