### Force Motors eyes 5 pc increase in sales volumes this fiscal

NEW DELHI, July 31: Force Motors today said it is looking at around 5 per cent growth in sales this fiscal on the back of new product launches amid a tough automobile market.

The Pune-based company, which today introduced two new variants of its sports utility vehicle Force One priced at Rs 8.99 lakh and Rs 11.99 lakh, said the slow-down will not impact its plan of investing Rs 1,000 crore till the first quarter of 2014 to bring new products and overall network expansion in India.
