Anger has to be brought down: Rahul

AMETHI, July 25: Citing the example of Punjab where peace was restored after a long period of militancy, Rahul Gandhi today said there was a "lot of anger" in India which should be brought down and the country should move forward by taking all sections along.

"India is a thought.. Youths make it, you make it. We have to include everyone and move for-

ward," the Congress leader said here as he praised paramilitary force CPRF's efforts to restore peace in restive areas of the country.

He spoke of how a Khalistan supporter, also an MLA, joined political mainstream in Punjab after peace was restored in the once militancy-wrecked State.

Addressing a function on the occasion of foundation laying ceremony of CRPF training centre at Trishundi, the Congress Vice President said that due to peace in the presence of CRPF and "Congress, Akali giving him a place in the political system", the Khalistan supporter's anger came down and he joined political mainstream.(PTI)
