

Why PM is not being quizzed: BJP on missing Coalgate files

NEW DELHI, Sept 4:

Prime Minister Manmohan Singh was today hauled over the coals on the issue of missing files in the coal block allocation with the BJP seeking his deposition before the CBI, which the investigating officer in the case has reportedly suggested.

The main opposition raked up the issue in Parliament, got both the Houses adjourned for some time getting support from other parties and forcing an impromptu discussion on the issue.

Later, in a joint statement, the Leaders of Opposition in Lok Sabha and Rajya Sabha

Sushma Swaraj and Arun Jaitley accused the Government of trying to sabotage the investigation in the case and demanded that it reveal why the Prime Minister is not being questioned and an FIR not lodged on the "stolen" files.

Terming as "very serious" the issue of files going missing in the alleged scam amounting to a whopping Rs 1.86 lakh crore, Opposition members said in Parliament that there were apprehensions that the Government has a "lot to hide" and the case may meet a "dead end".

In the Lok Sabha, Leader of Opposition Sushma Swaraj said

she did not believe that the files had just gone missing and contended that it was a case of theft and demanded immediate registration of an FIR.

"It is a matter of theft. That is why there should be an immediate FIR," she said, adding "Government should tell us by when an FIR will be lodged."

Swaraj said in case the Government did not register the FIR, it would be construed that it has much to hide.

Targeting the Prime Minister, she said he is "under cloud" as he held the coal portfolio between 2006 and 2009.

"If the Prime Minister wants

to see himself come clean on this issue, he should himself come forward and offer to deposit before the CBI," she said.

In the Rajya Sabha, Leader of Opposition Arun Jaitley said, "Documentary evidence is being destroyed and oral examination is not being permitted. Therefore, the entire result is that this case may lead to a dead end."

Jaitley sought to know from

the Government how the investigations will proceed in the absence of documentary evidence and feared that with evidence destroyed and oral examination not being carried out, the country may turn out to be a net loser of Rs 1.86 lakh crore.

Swaraj's demand for immediate filing of an FIR was supported by various other parties like SP, CPI-M, CPI, AIADMK and TDP which too wanted a proper probe.(PTI)
