**JAMMU, Dec 23:** Chief Justice of J&K High Court Justice Badar Durrez Ahmed addressed at the audience during orientation programme conducted at State Judicial Academy, Jammu on Saturday.

“Time is of utmost importance in a criminal case. The court should ensure to maintain a balance between the time consumed in the trial and time spent in the appeal. We also need to ensure that time is not wasted in unnecessary arguments which could keep the case pending indefinitely,” he said.

He said that the concept of time management was very applicable in the criminal and civil cases.

He stressed that there should be a level playing field in the process to keep the courts working at their respective levels. He said that the courts were expected to deliver judgements at the earliest possible time.

The Chief Justice said that the court proceedings should be speeded up and the process should not be delayed. It is the responsibility of the court to give a time-bound decision to the parties in the given case. He said that the court proceedings should be speeded up and the process should not be delayed.
