

FinMin releases Rs 45,000 cr to States as add'l devolution

NEW DELHI, Apr 1: The Finance Ministry today said it has released Rs 45,000 crore to the states as additional devolution in the 2020-21 fiscal following revenue buoyancy in the March quarter. As per the Revised Estimates for 2020-21, Rs 5,49,959 crore, being 41 per cent of the shareable pool of taxes and duties were estimated to be released to the states. However, the Finance Ministry has devolved an amount of Rs 5,94,996 crore, based on the initial estimates of the shareable pool that

would be collected in 2020-21, the ministry said in a statement. The 15th Finance Commission has recommended that the states be given 41 per cent of the divisible tax pool of the Centre during the 2020-21 fiscal. The ministry said the additional amount of Rs 45,000 crore was released in two instalments of Rs 14,500 crore and Rs 30,500 crore. Rs 14,500 crore was released along with the 14th regular instalment of devolution on March 26, 2021, whereas the second instalment of Rs 30,500 crore was released to the states on March 31, 2021.(PTI)
