

Praveen Sinha takes over as acting chief of CBI

NEW DELHI, Feb 4:

CBI Additional Director Praveen Sinha today took charge as the acting chief of the agency after the superannuation of incumbent Rishi Kumar Shukla.

A Gujarat-cadre IPS officer of 1988 batch, Sinha has served in the agency as superintendent of police, deputy inspector general, joint director and additional director in two stints between 2000 and 2021.

Former CBI chief Rishi Kumar Shukla retired on Wednesday after a two year tenure in the agency.

As the Government is yet to name his successor, it handed over the acting charge to Sinha, who was the senior most officer in the agency after Shukla.

The CBI director is selected by a committee comprising the prime minister, leader of the opposition in lok sabha and chief justice of India.

Sinha who was tasked to revise the crime manual of the agency after 15 years has also served as Deputy Director, ACB, Ahmedabad in 1996. Praveen Sinha has been associated with the investigation of various Supreme Court/High Courts entrusted/monitored scams; major bank frauds and financial crimes, serial bomb blasts etc," CBI spokesperson R C Joshi said.

Sinha was also instrumental in exposing CAT and AIPMT paper leakages. "He has the unique distinction of having drafted the manual of both the apex integrity institutions - Vigilance Manual

2017 of Central Vigilance Commission and CBI (Crime Manual, 2020," Joshi said.

"He has been involved in several innovative and reform initiatives. Sinha is a member of several reform committees constituted by the CVC. He is also a member of the committee for reforms in criminal laws constituted by the MHA (Ministry of Home Affairs)," Joshi said. (PTI)

India records 12,899 new cases

NEW DELHI, Feb 4:

With 12,899 people testing positive for coronavirus infection in a day, India's COVID-19 tally of cases rose to 1,07,90,183, while the recoveries surged to 1,04,80,455, according to the Union Health Ministry data updated today.

The death toll increased to 1,54,703 with 107 new fatalities,

the data updated at 8 am showed.

The number of people who have recuperated from the disease surged to 1,04,80,455 pushing the national COVID-19 recovery rate of 97.13 per cent, while the COVID-19 case fatality rate stands at 1.43 per cent.

The total COVID-19 active cases remained below 2 lakh.
