

Puddles at Mahore main market

Excelsior Correspondent

REASI, Jan 10: Water logging on the road because of big potholes and damaged drains has

Waterlogged Mahore main market road.

virtually turned Mahore main market area into bunch of puddles.

Because of water logging after rains, it becomes difficult for the people to walk on the market road. The road condition in Mahore main market is in such a bad condition that it seems the authorities never bothered to

repair it since decades. The bad condition of road is causing immense hardships to the commuters and pedestrians. It is dotted with potholes and bumps due to which the commuters face tremendous inconvenience, said the people. "Now after rains, these potholes get filled with water making the pedestrian movement extremely difficult," they added.

A local transport agent, Javed from Mahore, said that the drains were also choked with the result water from the drains also flows towards the road.

Even as this is the main road leading to all tehsil offices, the concerned authorities seem least interested for repairing it. The locals appealed the administration to intervene into the matter and repair the road at the earliest.

Mandi town without power

Excelsior Correspondent

POONCH, Jan 10: With the damage caused to a PDD transformer, several areas of Mandi town are without electricity supply for the last several days.

Local residents said that PDD staff have not given attention to their problem and they are left with no option other than to agitate and hit the roads and streets.

The electric transformer went out of order and was removed from there but no other transformer has been restored to the tehsil headquarter. There is strong resentment among the tehsil residents against PDD, they added.

They further alleged that power remains suspended for weeks together but PDD is charging flat rates from them every month which is great injustice with the public. The Government is charging for the service which it is not providing to the public, they added.

NC flays anti-youth policies of BJP

Excelsior Correspondent

SRINAGAR, Jan 10: J&K National Conference (NC) on Saturday said the ruling BJP's promise on ending soaring unemployment in J&K has failed in reality and the already existing employment avenues are being shut in J&K.

In a handout Additional General Secretary NC, Dr Sheikh Mustafa Kamal said the ruling BJP while scrapping the Articles 370 and 35-A had claimed that measures will be taken to increase employment prospects for the local youth but the reality on ground is completely different.

He claimed that the appalling situation J&K is reeling under is the direct consequence of the measures which were taken unilaterally by the ruling BJP on August 5, 2019.

"It was claimed by the BJP that the abrogation of the Articles will iron out all issues and put the region back on the track of development and prosperity but in reality the region has been plunged into an abyss of chaos and uncertainty," Kamal claimed adding that the local administration has become slack and it is not living up to its obligations.

He also said that lakhs of youth have lost their jobs due to the lockdowns and uncertainty in the region. "Thousands of daily-wagers, casual labourers, scheme workers and others have been denied wages for months together," he maintained.

India to win battle against COVID with PM's efforts: Tahir

Excelsior Correspondent

JAMMU, Jan 10: Complimenting the Prime Minister, Narendra Modi for his announcement to launch COVID-19 vaccination drive by January 16, Jammu & Kashmir, Bharatiya Janata Party (BJP) unit spokesperson, Dr Tahir Choudhary said that the India will win the battle against the deadly infection at the earliest.

He said that under the leadership of Prime Minister, Narendra Modi, India is ready to carry out worlds' largest immunization drive covering over three 3 crore frontline workers including one lakh in Jammu and Kashmir in phase one.

"The Union Government has fully prepared to launch massive immunization drive with impressive mechanism by using digital technology and other resources to cover all the front-line workers," he said.

Dr Tahir informed that similar preparations have been made in Jammu and Kashmir to inoculate one lakh health workers in phase I. "Under the guidance of Centre, the administration led by Jammu and Kashmir Lieutenant Governor, Manoj Sinha, will cover 28-lakh high risk people in three phases," he said.

Apart from assuring development across the country, Dr Tahir said that Prime Minister, is concerned about the well-being of citizens.

He hoped that the concrete measures taken by Government to combat the spread and vaccination drive will assure victory against the deadly infection.

He further appealed people to follow guidelines issued by Minister of Family & Health Welfare and social distancing norms to combat the spread of COVID-19.
