

Smiles, sanitizers welcome students as schools reopen

NEW DELHI, Jan 18: Balloons, flowers, sanitizers and smiling faces welcomed class 10 and 12 students in schools in the national capital on Monday as they returned to campuses after over 10 months.

The students who were elated to be able to attend the first offline class of the academic session wore masks and queued up outside schools maintaining social distance.

Schools reopened on Monday after over 10 months of being closed in view of coronavirus pandemic. Delhi Chief Minister Arvind Kejriwal said it was an emotional moment to see children back in school.

"Seeing kids back in school after a long time, is an emotional moment for me. Schools have reopened today after leaving behind a very difficult time. We are hopeful that soon, everything will be normal and all students will be able to come to schools and meet their teachers and friends," he tweeted.

Pragati Diwan, an excited class 12 student said, "It was optional to come but I was sure I have to. It is the last year of my school life and I haven't come to school even one day," said Pragati Diwan, an excited class 12 student.

For another student at Geeta Bal Bharti School, the feeling was similar to that of attending first day at school.

"It does not feel like I am coming to school after ten months, it feels like I have come to school for the first time. I am looking forward to the preparations for board exams here," she said.

Prince, a student at Delhi government school, said, "The online classes were a great help for theoretical subjects but the practical subjects were a challenge. I am glad to be back at school so the practical concepts will be easily brushed up before the board exams".

A teacher taking a class after schools reopened in Delhi.

The school put up posters of "welcome back" in corridors where teachers stood with sanitizers and checked the temperature of each student before letting them in.

Sarvodaya Kanya Vidyalaya in Mandawali decorated the premises with balloons and the teachers showered flower petals on students, welcoming them.

Deputy Chief Minister Manish Sisodia also visited a school in Chirag Enclave on Monday to assess the readiness of schools to welcome class 10 and 12 students.

"Felt really good to meet children in schools after a long time. They are still adjusting to being back in school with safety norms but are extremely happy to meet their friends. The teachers are also overjoyed to meet students, saying it has filled an empty space in their life," Sisodia said.(PTI)

Rafale to feature in Republic Day parade for first time

NEW DELHI, Jan 18:

The newly inducted Rafale fighter aircraft will feature in India's Republic Day parade on January 26 and culminate the flypast by carrying out the 'Vertical Charlie' formation, the Indian Air Force (IAF) said today.

In the 'Vertical Charlie' formation, the aircraft flies at low altitude, pulls up vertically and conducts rolls before stabilising at higher altitude.

"The flypast will culminate with a single Rafale aircraft carrying out a 'Vertical Charlie' formation," IAF spokesperson Wing Commander Indranil Nandi said at a press conference here.

In a major boost to India's air power capability, five French-made multirole Rafale fighter jets were inducted into the IAF on September 10 last year.

A total of 38 IAF aircraft and four planes of the Indian Army will participate in the flypast on January 26, Nandi said.

As is traditionally the case, the flypast will be divided into two blocks - the first is planned along with the parade from 1004 hours to 1020 hours and the second after the parade from 1120 hours to 1145 hours.

In the first block, there will be three formations. The first will be the 'Nishan' formation comprising of four Mi17V5 aircraft that will carry the national flag and logos of all three services, Nandi said.

It will be followed by the 'Dhruv' formation by four helicopters of Army Aviation Corps,

he said. The last would be the 'Rudra' formation which will celebrate the 50th anniversary of the country's victory in the 1971 war, he said, adding that it will consist of a single Dakota aircraft flanked by two Mi17V5 helicopters.

On December 16 last year, India launched year-long celebrations of its victory over Pakistan in the 1971 war that led to the creation of Bangladesh.

Nandi said the second block of the flypast will consist of nine formations.

These nine formations are 'Sudarshan', 'Rakshak', 'Bhim', 'Netra', 'Garuda', 'Eklavya', 'Trinetra', 'Vijay' and 'Brahmastra', he said.

One Rafale along with two Jaguar and MiG-29 aircraft will conduct the 'Eklavya' formation in the second block of the flypast, he said.

Wing Commander Tej Pratap Pandey said models of Light Combat Aircraft (LCA) Tejas and indigenously developed anti-tank guided missile Dhruvastra will feature in the IAF's Republic Day parade tableaux.

"It (tableaux) will showcase scaled-down models of Light Combat Aircraft Tejas, Light Combat Helicopter (LCH), Sukhoi-30MKi and Rohini radar," he said.

Indigenously developed next-generation anti-radiation missile Rudram and anti-tank guided missile Dhruvastra will be displayed on the LCA and the LCH respectively, Pandey said.(PTI)
