

Covid situation in India vastly improved : MEA

NEW DELHI, July 8:

The Ministry of External Affairs Thursday said it hopes that with the COVID-19 situation in India vastly improved, foreign nations would ease travel restrictions from India, and asserted that it is taking up the issue with partners, including in the Gulf.

MEA Spokesperson Arindam Bagchi said the government is actively trying to help Indians who need to travel back to various countries across the world.

"As we have said earlier, we hope that with the vastly improved Covid situation in India, countries would ease restrictions for travel from India. We have been taking up this issue with foreign partners wherever possible," Bagchi said when asked about problems being faced by Indians in travelling to other countries, especially Gulf nations.

He also said External Affairs Minister S Jaishankar and Minister of State for External Affairs V Muralidharan recently held a meeting with Indian Ambassadors in Gulf countries. "Our Ambassadors were requested to take up with their host countries the issue of resumption of flights with India," he said, referring to the meeting.(PTI)
