35 picturesque areas identified for transformation as Tourist Villages

adventure and sports facilities, construction of budget accommodation, tourist complexes, wayside amenities, Tourist Facilitation Centre, special tourism projects, sound and light recreational facilities and eco-friendly transportation facilities.

In response to a question, sources said that the villages to be covered under the programme will be selected on the basis of its tourism potential and infrastructural gaps. "The villages which qualify for any of the thematic categories as specified by Mission Youth in consultation with Tourism Department will be assessed on the basis of tourism potential and infrastructural gaps by inter-sectoral expert committee of Mission Youth", they added.

About the eligibility of youth, they informed that only the youth groups with minimum 5 youth members will be eligible for financial assistance under the scheme. Moreover, the beneficiary must be unemployed and registered with the concerned District Employment & Counseling Centre.

"The eligible youth groups will be provided financial assistance to the tune of Rs 10 lakh including Mudra loan of Rs 8.50 lakh from Lending Bank and the Mission Youth will provide an amount of Rs 1.5 lakh or 15% of project cost (whichever is minimum) as special upfront incentive (subsidy) under the scheme", sources informed.

Stating that the scheme will be monitored through a robust monitoring mechanism to ensure the functional efficacy, they said that post- sanction monitoring of the cases will be conducted by Mission Youth through District Level Task Force.

"In order to actualize the vision for developing potential rural areas into world standard Tourist Villages, a dedicated Task Force will be constituted to facilitate formulation and implementation of action plan for selected circuits, including development of perspective plan, convergence of schemes and sectoral coordination", sources informed.

Admn reopens NH for traffic, Ops enter 21st day

Durrian forest in Mendhar along with Surankote forest in Poonch and nearby Thannamandi in Rajouri district entered the 21st day today, the officials said.

While the operation is underway, the authorities allowed traffic on the main highway between Bhimber Gali in Mendhar and Jaran Wali Gali in Surankote in s Poonch district, much to the relief of residents, especially taxi operators who have been demanding its reopening.

The road stretch, which passes along the cordoned-off forest belt, was closed as a precautionary measure on October 15, a day after four Army personnel, including a JCO, were martyred in an exchange of fire with the hiding militants in Bhatta Durrian forest, the officials said.

The operation started in Surankote forest on October 11 following the martyrdom of five soldiers, including a JCO, and was subsequently extended to Mendhar to neutralize the fleeing militants.

The contact with the hiding militants was only established twice on October 11 at Surankote and Thannamandi and again at Bhatta Durrian on October 14, the officials said. After the firing on October 24 in Bhatta Durrian, which left the Pakistani militant Zia Mustafa taken from Kot Bhalwal jail to Mendhar for identification of the route, dead, there was no contact with the hiding militants.

A major part of the forest belt was cleared to allow the authorities to reopen the highway and villagers to resume normal activities, the officials said.

They said there was no breakthrough against the holed up militants who are avoiding direct contact with the search parties and are on the run taking advantage of thick foliage, natural caves and difficult terrain.

"The operation is now going on deep inside the forest with a number of natural caves. The search parties are clearing the caves and moving cautiously to neutralize the suspected militants," an official said.

Over one and a half dozen persons, including two women, were detained so far for questioning after it came to light that they allegedly provided logistic support, including food and shelter, to the militants, the officials said.

Rajouri and Poonch in districts have witnessed a rise in infiltration attempts since June this year, resulting in the killing of nine militants in separate encounters.

Leaders of various political parties who joined BJP posing with party leaders at Jammu on Sunday. -Excelsior/Rakesh

Farooq, Mehbooba misleading people: Chug

Chugh and Raina welcomed the new entrants, along with hundreds of their supporters, into the party fold in presence of senior leaders, including Devender Singh Rana and S S Slathia, who recently joined the Saffron party.

Rana, who was the provincial president of the National Conference, along with senior party colleague and former Minister, Slathia had quit his party on October 10 and both of them joined the BJP in Delhi next day.

Majority of those who joined the BJP, including both the former legislators Prem Sagar Aziz and Kamal Arora, are considered close to Rana.

Aziz, former Deputy Mayor, Dharamvir Singh Jamwal, provincial secretary, Choudhary Arshid, Samba district president Mohinder Gupta, Corporator, Ashok Manhas and senior workers Som Nath Khajuria and Sardar Succha Singh recently resigned from the NC in Rana's support.

Arora, who had won Assembly elections on the National Conference ticket in the 2014 polls, had joined Apni Party in March last year. He along with district president of Apni Party, Rinku Bhardwaj joined the BJP.

Accompanied by their supporters wearing different types of turbans representing different cultures, including the Dogras, Sikhs, Gujjars and Bakarwals, the leaders were welcomed by massive sloganeering at the BJP headquarters, Trikuta Nagar where the joining function was organised.

"The new entrants - whether from the National Conference, Congress or the PDP - are welcome with open heart and they will be given due respect and rightful position without any discrimination", said Tarun Chug while addressing the function later.

The J&K BJP chief, in his address, said his party is growing bigger with each passing day as people from all walks of life repose faith in Prime Minister, Narendra Modi's slogan of Sabka Saath, Sabka Vikas aur Sabka Vishwas'.

"The BJP is going to form the next Government after the Assembly elections on its own and the Chief Minister will be from our party," he said, expressing satisfaction over the joining of prominent leaders from different parties.

Former legislator Rana said, "We are all making efforts to strengthen J&K so that we all be part of India's development and progress under the leadership of Prime Minister Narendra Modi"

"We are making attempts to strengthen Jammu, J&K and India. Our endeavour is that a common voice from Hindus, Muslims, Sikhs and Christians emerge from Jammu which will work to strengthen the whole Jammu and Kashmir and we all can be part of the development phase initiated by the Prime Minister in the country," he said.

Reacting to the letter of the PDP president seeking the Prime Minister's intervention to save the future of some Kashmiri students who were arrested for allegedly celebrating Pakistan's victory over India in a cricket match, Rana said no anti-national activities will be tolerated.

"Anti-national activities cannot be tolerated by any country and so why India should tolerate such an act? If you are Indian, you have to respect and honour the country," he said, adding that "India is a strong democracy but that does not mean we will tolerate anti-national activities".

He said nobody should support anti-national elements.

SC sets aside HC order quashing criminal proceedings

authorising an inspector to investigate the FIR in the case.

It had passed the order on the plea filed by accused seeking quashing of criminal proceedings in the case.

In its verdict, the apex court noted it cannot be said that there was "any non-application of mind" on the part of the senior superintendent authorising the inspector to enquire into the FIR.

"In the present case, the offence under the Prevention of Corruption Act is a substantive offence and the investigation in respect of the offence under the PC Act, when considered and coupled with the offence of conspiracy, there is no requirement of prior sanction of the magistrate," the bench said.

"Merely because the offence of the conspiracy may be involved, investigation into the substantive offence, i.e. in the present case, offence under the PC Act which is cognisable is not required to await a sanction from the Magistrate, as that would lead to a considerable delay and affect the investigation and it will derail the investigation," it said.(PTI)

260 ITBP personnel get HM's medal

NEW DELHI, Oct 31:

As many as 260 Indo-Tibetan Border Police (ITBP) personnel were awarded the Union Home Minister's Special Operation Medal today for rendering exceptional service during the ongoing military standoff with the Chinese PLA in Eastern Ladakh.

The Home Ministry issued a notification naming a total of 397 personnel from various State police and Central forces for the award.

An ITBP spokesperson said the award was given to its troops in recognition of the "indomitable courage and devotion to duty" shown by them in Eastern Ladakh between May, 2020 and February this year.

At 260, it is the highest number of the award given to a police force in one go.

"The ITBP personnel safeguarded the borders in Ladakh in extreme conditions through its operation 'snow leopard' on the icy heights. The force carried out a high-level of strategic planning and efficient execution of ground operations with complete synergy and collaboration between all sister organisations," the spokesperson said in a statement.

Former Commander of the ITBP north-west frontier based in Leh, Inspector General (IG) Deepam Seth, is among the awardees.

Seth, now posted at the headquarters of the border force here, was also a member of the Indian delegation for the 10 rounds of senior highest military commander (SHMC) level talks with the Chinese border commanders.

Informing about the award, the spokesperson said the "special operations of ITBP were spread over a year and involved a high degree of execution of strategic planning and efficient ground operation."

"Besides this, it also included timely and adequate supplies of logistics to the forward location for troops," he said.

The Government last year had accorded the police medal for gallantry (PMG) to 20 ITBP officers and personnel for displaying bravery during the military standoff and violent clashes with the Chinese PLA personnel.

The about 90,000 personnel strong ITBP was raised in 1962 in the aftermath of the Chinese aggression and it is primarily tasked with guarding the 3,488-km India-China Line of Actual Control (LAC). Some of its posts at the LAC are located as high as 18,800 feet.

The Union Home Minister's Special Operation Medal was instituted in 2018 and is given for special operations in areas such as counter-terrorism, border action, arms control, prevention of narcotics smuggling and rescue operations. (PTI)

Rise in services on domestic routes bringing down airfares: Jyotiraditya

INDORE, Oct 31:

Union Civil Aviation Minister Jyotiraditya Scindia today said the expansion of air services on domestic routes was bringing down fares.

He was speaking online at a function here to mark the start of six new IndiGo flights connecting Indore to Surat in Gujarat, Jodhpur in Rajasthan and Prayagraj in Uttar Pradesh.

"Airfares are tumbling (on domestic routes). Airfare between some cities is cheaper than second-class air-conditioned train tickets. Prime Minister Narendra Modi wants people wearing slippers to fly. That is why the government is working to set up airports in small cities as well," Scindia said.(PTI)
