

SRH dent RCB's chance to get top-two finish with upset four-run win

ABU DHABI, Oct 6:

Royal Challengers Bangalore made a mess of their run chase as bottom-placed Sunrisers Hyderabad dented their hopes of a top-two finish with a narrow four-run win in a last-over IPL thriller, here today.

After putting on board a modest 141 for 7, SRH returned to limit RCB to 137 for six only their third win in the league.

Chasing the total, Devdutt Padikkal (41) and Glenn Maxwell (40) scored bulk of the runs but RCB kept losing wickets and faltered in the end.

Defending 18 off last two overs, Jason Holder bowled a superb over, giving away just five runs for one wicket.

AB de Villiers smashed a six in the fourth ball of the final over bowled by Bhuvneshwar Kumar but couldn't take the team home as the South African could not pull off a six the team needed in the last ball.

Earlier, opener Jason Roy (44) shared a 58-ball 70 run stand with skipper Kane Williamson (31) to set the platform but SRH lost three quick wickets for two runs in seven balls to eventually end up with a below-par total.

RCB were dealt an early blow in their chase when Bhuvneshwar trapped Virat Kohli in the first over.

The decision to promote Daniel Christian at number 3 also didn't work as he was deceived by a slower delivery by Siddarth Kaul.

At 18 for 2, Srikanth Bharat joined hands with Devdutt Padikkal and produced two handsome shots for a six and a four to take RCB to 37 for 2 in six overs.

Jodhamal's Helios team qualifies for F1 School World finals

Excelsior Sports Correspondent

JAMMU, Oct 6: Jodhamal Public School's Helios Racing team qualified for the F1 School World final which is scheduled to be held in the United Kingdom in the year of 2022.

The team has been selected in the F1 School Challenge Season-4, held at Delhi by displaying their exceptional technical skills and innovative thinking wherein about 40 national teams partici-

ated. The team members include Skasham Sagar, Samridh Sharma, Samik J Singh, Ashmit Gupta and Mysha Tabrez, mentored by Neetu Johri.

The Jodhamal Public School in collaboration with Times of Sports has been conducting STEM programmes for the last few years. This STEM programme is a multi-disciplinary challenge in which a team of students aged 9 to 19 deploy CAD / CAM software to collaborate design, analyse, manufacture, test and then race miniature compressed air powered balsa wood F1 cars.

Based on the formula-1 motorsport, the competition involves the designing and manufacturing of a miniature working F1 car model by individual team from all over the country, which then race with each other on a 25 meter long track.

After winning four awards including the Resilience Award, the Pit Display Award, Fastest Reaction Time Award and the Runner up Award at the national stage, the team is now gearing up for one of the biggest world finals.

Nandan Kuthiala, trustee and Dr Deep Khare, Principal of School appreciated the sheer hard work put in by the team and their mentor for achieving this marvelous feat.
