'Pulwama brothers showing new path to people across nation' World record by 8 Divyangs on Siachen Glacier rare feat: Modi

*Trekking includes one each from J&K, Ladakh

Sanjeev Pargal
 JAMMU, Sept 26: Prime Minister Narendra Modi today made special mention of Siachen Glacier, the highest battlefield in the world and showered praises on eight Divyang trekkers including one each from the Union Territories of Jammu and Kashmir and Ladakh who created world record by hoisting flag on Kumar Post situated at an altitude of more than 15,000 feet from the sea level.

In his 81st Edition of 'Mann Ki Baat', the Prime Minister also referred to the story of two brothers of South Kashmir's Pulwama district for creating new means of employment in agriculture.

"We all know about Siachen Glacier. The cold there is so terrible that it is beyond capacity of a common person to live there.

He mentioned names of all eight Divyangs who achieved this feat in Siachen Glacier including Lobsang Chospel of Ladakh, Irfan Ahmed Mir of Jammu and Kashmir, Chongjin Ingmo of Himachal Pradesh, Mahesh Nehra and Akshat Rawat of Uttarakhand, Pushpal Gawande of Maharashtra, Ajay Kumar of Haryana and Major Dwarkesh of Tamil Nadu.

The Prime Minister said despite challenges of physical ability, the feats that these Divyangs have achieved are an inspiration for the whole country and when you get to know about the members of this team, you will also be filled with courage and enthusiasm, just like he was.

"This operation to conquer Siachen Glacier has been successful because of the veterans of the Special Forces of the Indian Army. I commend the team for this historic and unprecedented achievement. It also shows the spirit of our countrymen to tackle every challenge with a 'Can Do Culture', 'Can Do Determination', and 'Can Do Attitude', Modi said.

He also referred to the success story of two Pulwama brothers including Bilal Ahmed Sheikh and Munir Ahmed Sheikh for finding new avenues for themselves in agriculture.

"Moving beyond traditional farming, novel initiatives like aquaculture, mushroom cultivation, etc. are the way forward for rural youth." (Contd on page 9 Col 1)
