

No person can be forced to get vaccinated against wishes: Centre

NEW DELHI, Jan 17:

COVID-19 inoculation guidelines issued by the Union Health Ministry do not envisage forcible vaccination without obtaining the consent of an individual, the Centre has told the Supreme Court.

The Health Ministry in an affidavit filed before the top court submitted that India's vaccination programme is the largest in the world and as on January 11, 2022, a total of 1,52,95,43,602 doses have been administered.

It said that 90.84 per cent of the eligible adult population has received their first dose of the vaccine and 61 per cent has received their second dose as well.

"Furthermore, a total of 23,768 doses have been administered to disabled persons who have voluntarily chosen to be identified as such by using their Unique Disability ID Card/Disability Certificate for registration at the time of their vaccination," it said.

On the issue of exempting persons with disabilities from producing vaccination certificates, the Centre told the apex court that it has not issued any SOP that makes it mandatory to carry the vaccination certificate for any purpose. (PTI)
