DC initiates inquiry into incident at Sawalkote Tunnel

Excelsior Correspondent

REASI, Jan 18: Deputy Commissioner Reasi Charandeep Singh today constituted a committee of four officers for conducting an enquiry into the incident at Tunnel T13-P2 at Sawalkote on January 15.

The committee, headed by Additional DC Reasi, shall inquire into the reasons which led to the incident and submit its report within ten days.

The committee shall also examine the safety measures adopted by the Railway authorities for their workers and examine the norms of construction of the project for handling such incidents.

Pertinent to mention that around 70 Meters span of an under construction Railway tunnel (T13 - P2) at Sawalkote had collapsed on January 15, in which five labourers sustained minor injuries.

Only 5,000-8,000 people to be allowed to attend Republic Day parade

NEW DELHI, Jan 18: The number of people allowed to attend the Republic Day parade this year is likely to be curtailed to approximately 5,000-8,000 due to the COVID-19 situation, with seats reserved for construction workers, front-line health workers and others, senior officials of the defence ministry said on Tuesday.

Only double vaccinated adults and children above the age of 15 who have taken at least one dose of COVID-19 vaccine will be allowed to enter, they said, adding children below 15 years will not be permitted to attend the event.

The officials said the parade would start at 10.30 AM instead of 10 AM to provide better visibility.

They said the number of people that would be allowed to attend the Republic Day parade this year is to be curtailed by 70-80 percent to approximately 5,000-8,000 due to the ongoing COVID-19 wave.

Nearly 25,000 people were allowed to attend the last year's parade, compared to around 1.25 lakh people in 2020, due to the pandemic.

A decision on whether chief guests will be there for the Republic Day parade 2022 (RDP-2022) is yet to be taken by the Ministry of External Affairs, the officials mentioned.

There was no chief guest at the parade last year.

This year, as a special endeavour, seats have been reserved for autorickshaw drivers, construction workers, sanitation workers and front-line health workers for the parade as well as for the Beating the Retreat ceremony that takes place on January 29, they said.

Officials said the aim of inviting fewer people this year is to maintain social distancing at all times due to the COVID-19 pandemic.

Therefore, the numbers have been significantly curtailed, they added.

While the exact number is yet to be decided, it would be anywhere between 5,000-8,000 people this year, they mentioned.

People would be encouraged to watch the parade on TV and through the live streaming, they said.

The next of kin of approximately 5,000 fallen heroes will be presented with a 'Plaque of Gratitude' by NCC cadets all over the country at about the same time as Prime Minister Narendra Modi pays homage to the country's bravehearts at the National War Memorial in New Delhi on January 26.

This will mark the beginning of the programme which will continue till August 15, 2022, the officials said.

Leaders of five central Asian countries -- Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan -- were reportedly invited as chief guests in December 2021 for RDP-2022.

"The decision regarding chief guests is being handled by the Ministry of External Affairs and we will wait for their decision in this regard," an official said.(PTI)
