Militant providing vital info about security forces to outfits in Poonch arrested

It may be mentioned here that the militants of Lashkar-e-Toiba (LeT) and Jaish-e-Mohammed (JeM) are trying to revive the militancy in Pir Panjal range by motivating local youth and luring them into the militancy.

They added that the militants are trying their best to cause terror acts in the twin border districts of Rajouri and Poonch on the eve of Republic Day but alert security forces are determined to foil their plot.

On the eve of Independence Day last year also, the militants had tried to indulge in terror acts but had failed. Number of Improvised Explosive Devices (IEDs), cash, arms and ammunition were recovered in Poonch district ahead of the Independence Day celebrations last year.

Centre flags decline in Corona testing, asks States to enhance

said in community settings all those who are symptomatic must be tested and all at-risk contacts of laboratory confirmed cases must also be tested.

New rules for deputation of IAS officers

changes in the IAS (cadre) Rules, 1954.

The move has evoked sharp criticism from West Bengal Chief Minister Mamata Banerjee who has written to Prime Minister Narendra Modi urging him to roll back the proposal claiming it will affect States' administration.

"I express my strong reservations to the approach followed by the Central Government in proposing such amendment to the Cadre Rules which unilaterally mandates the State Government to make such a number of officers available for deputation as prescribed under (the) Central deputation reserve," Banerjee wrote to Modi this evening.

Seeking to change the rules, the Centre has proposed that each State Government shall make available for deputation to the Central Government such a number of eligible officers of various levels to the extent of the Central Deputation Reserve prescribed under existing regulations, adjusted proportionately by the number of officers available with the State Government concerned vis-à-vis the total authorised strength of the state cadre at a given point of time.

The actual number of officers to be deputed to the Central Government shall be decided by the Central Government in consultation with the state government concerned, the new rule proposes.

In case of any disagreement, the matter shall be decided by the Central Government and the State Government or State Governments concerned shall give effect to the decision of the Central Government "within a specified time", it has proposed.

Existing rules did not mention any time limit for deciding on such disagreement.

The proposal to change the rules was sent to the chief secretaries of all the State Governments on December 20, 2021. They were asked to furnish their comments by January 5, 2022.

The Centre had in June last year asked all state governments to nominate more officers for central deputation at the level of deputy secretary, director and joint secretary, citing their shortage.

Officers of the level of deputy secretary/director and above are usually appointed in central government ministries/ departments (i.E. On central deputation) under the Central Staffing Scheme (CSS).

Every cadre - a State/States or States and Union Territories -- is allowed a deputation reserve to ensure that officers have the opportunity to work on deputation including that under the Central Staffing Scheme, which adds to their experience.

It is requested that a larger number of officers may kindly be recommended for the appointment at DS/Director/JS level under the Central Staffing Scheme so that the central deputation reserve/ deputation reserves are duly utilised for this purpose, the Personnel Ministry had said in a communique.
