

India complete Lankan series-whitewash with massive 238-run win in second Test

BENGALURU, Mar 14:

India extinguished whatever little spark Sri Lanka showed and wrapped up the second Test inside three days for a comprehensive 238-run win, completing a 2-0 whitewash of the Islanders, here today.

A herculean task at hand, Sri Lanka took the field on the third day with a lot of determination but it was always going to be tough to negotiate the Indian attack on a track that has been offering turn and uneven bounce from day one.

Resuming at 28 for one in pursuit of an improbable 447-run target, the Sri Lankan batters, led by skipper Dimuth Karunaratne (107), resisted the Indian attack for some time before folding for 208 in the post-tea session.

"It's been a good run, and I have enjoyed it personally and as a team. We wanted to achieve a few things as a team, and we have done that," skipper Rohit Sharma said after leading the team to a perfect result in his first series at the helm.

He spoke about the positives that emerged from the two-match series.

We have seen Jadeja grow as a batter, and he seems to get better and better. Shreyas just carried on from where he left off in the T20 series against Sri Lanka. He knew he was stepping into the big shoes of guys like Rahane and Pujara, but he has everything that he requires. Rishabh seems to get better with each game that he plays," the skipper waxed eloquent.

Left-handed Karunaratne, one of the most consistent performers

for Sri Lanka in recent times, raised his 14th Test century with a boundary off Jasprit Bumrah. He took some time to settle but worked the ball around swiftly, consistently placing them in the gaps.

Bumrah (3/23) eventually sent him back with slightly seaming ball that beat his bat to shatter the stumps. The lethal Indian fast bowler, who consistently made life tough for the Lankans, returned with match figures of 8 for 47, having taken a fiver at home for the first time in the first innings.

Ravichandran Ashwin (4/55), Axar Patel (2/37) and Ravindra Jadeja (1/48) did their bit in wrapping up the Lankan innings.

India now have won all three pink-ball Tests at home, having beaten Bangladesh (in Kolkata, 2019) and England (in Ahmedabad, 2021) before.

Two wins against Sri Lanka fetched India 24 points but Rohit Sharma's men remain in fifth position in World Championship table due to 'low percentage points' (54.16). They have 77 points in their kitty.

Visitors' early positive intent, something which has not been witnessed much in this series, resulted in a rare productive batting session for the Lankans who collected 123 runs for loss of three wickets.

Adopting a positive yet cautious approach, both Kusal Mendis (54 off 60 balls) and Karunaratne used their feet with confidence to counter the Indian spinners.

Mendis was impressive on both front and back foot as he pulled and cut the short-pitched
