Nationwide strike likely to hit essential services
 NEW DELHI, Mar 27:
 Some of the essential services related to banking, transportation, railways and electricity are likely to be impacted during a two-day nationwide strike called by a joint forum of central trade unions beginning today.
 Talking to reporters, All India Trade Union Congress General Secretary Amarjeet Kaur said, "We are expecting participation of over 20 crore formal and informal workers with mass mobilisation of workers across the country during the strike on March 28 and 29 to protest against Government policies."
 She said that the strike is expected to hit the rural parts also, where informal workers of farming and other sectors will join the protest.
 The strike notices were given by workers' unions of various sectors such as coal, steel, oil, telecom, postal, income tax, copper, banks and insurance.
 Unions in railways and defence sector will carry out mass mobilization in support of the strike at several places, the joint forum said.
 The unions' demands include scrapping of the proposed changes in labour laws, privatisation of any form and the national monetisation pipeline. Increased allocation of wages under MNREGA (Mahatma Gandhi Rural Employment Guarantee Act) and regularisation of contract workers are also part of their demands.(PTI)
