

# ED seizes Rs 5,551 cr deposits of Chinese smartphone giant Xiaomi for FEMA violation

NEW DELHI, Apr 30: The Enforcement Directorate Saturday "seized" over Rs 5,551-crore worth fund of Chinese mobile manufacturing company Xiaomi for violating the Indian foreign exchange law, officials said.

In a press release after the ED's statement, Xiaomi Technology India Private Limited said its operations in the country are "firmly compliant with local laws and regulations".

The company (also called Xiaomi India) is a trader and distributor of mobile phones in the country under the brand name MI.

"Xiaomi India is a wholly-owned subsidiary of the China-based Xiaomi group. This amount of Rs 5,551.27 crore lying in the bank accounts of the company has been seized by the Enforcement Directorate," the agency said in a statement.

The seizure has been done under sections of the Foreign Exchange Management Act (FEMA) after a probe was launched by the federal agency against the company in connection with alleged "illegal remittances" sent abroad by the Chinese firm in February, it said.

Xiaomi began its operations in India in 2014 and started remitting the money the next year, the agency said.

"The company has remitted foreign currency equivalent to Rs 5,551.27 crore to three foreign-based entities which include one Xiaomi group entity, in the guise of royalty," the ED said.

In a statement, a Xiaomi spokesperson said "as a brand committed to India, all our operations are firmly compliant with local laws and regulations."

"We have studied the order from government authorities carefully. We believe our royalty payments and statements to the bank are all legit and truthful. These royalty payments that Xiaomi India made were for the in-licensed technologies and IPs used in our Indian version products," the spokesperson said.

"It is a legitimate commercial arrangement for Xiaomi India to make such royalty payments. However, we are committed to working closely with government authorities to clarify any misunderstandings," the spokesperson added.

The ED alleged such huge amounts in the name of royalties were remitted on the instructions of their Chinese "parent group" entities, it alleged.

"The amount remitted to two other US-based unrelated entities were also for the ultimate benefit of the Xiaomi group entities," the ED said.(PTI)

# Executive, judiciary agree to set up state-level body to cater to infrastructural needs of courts

NEW DELHI, Apr 30: The executive and the judiciary on Saturday agreed to set up state-level bodies to cater to the infrastructural needs of courts across the country.

At a joint conference of chief ministers and chief justices of High Courts, Chief Justice of India N V Ramana said the CMs were largely of the view that instead of a national body, state-level special purpose vehicles should be set up with political representation in them.

Chief ministers or their nominees would be a part of such a setup.

CJI Ramana had mooted judicial infrastructure authorities both at the state and the national levels.

"After discussion, there was near unanimity among the chief ministers... State-level infrastructure body to be established and not a national-level one.

"However, there was a suggestion to include the chief minister or his nominee in the body at the state level. Most of the states have agreed to adopt this model," he said at a press conference.

The CJI has been quite vocal about setting up state and national-level bodies to adequately deal with the infrastructural needs of courts across the country.

Infrastructure and capacity building, institutionalising the mechanism for augmenting and creating state-of-the-art judicial infrastructure and institutional and legal reforms were deliberated upon, Justice Ramana said.

At the press conference, he said chief justices and the chief ministers made requests to consider giving infrastructure funds to the states as a "one-time measure".

"As a one-time measure the Central government may consider providing all adequate facilities and financial support to put in place the required infrastructure commensurate with the projected national strength of judicial officers in terms of the 2016 report," the CJI said.

He said the gap in the funds provided by the central government and states "is proving to be a hurdle".

Referring to a resolution on filling up vacancies, the CJI said everyone was concerned about the delay in the appointment of judges and not filling up vacancies in high courts and in district courts.

"So, we have passed this resolution that effective steps be taken to ensure that the arrears of cases pending for five years, to the extent possible, be cleared.

"Sanction strength for appointment of judicial officers for district judiciary be increased in a phased manner in accordance with the directions issued in the judgement... Along with that of requisite subordinate staff, administrative and technical and court case management," he said.

He said state governments will create a cadre of statisticians and data analysts for district courts for an efficient justice delivery system.

"State governments should provide adequate security to the serving judicial officers," Justice Ramana said, adding that he has suggested putting in place a two-tier security system in district courts as in Jammu and Kashmir.(PTI)

# CBDT Chairman retires; order for new head awaited

NEW DELHI, Apr 30: CBDT Chairman J B Mohapatra retired on Saturday even as a government order for the appointment of a regular head of the direct taxes administration body is awaited.

Mohapatra, a 1985-batch Indian Revenue Service (IRS) officer of the Income Tax department, was appointed as the full-time chairman in September last year.

He, however, was holding the additional charge of Central Board of Direct Taxes (CBDT) chairman since May 31, 2021 after the extended tenure of his predecessor P C Mody ended.

The CBDT is headed by a Chairman and can have six members. All of these officers are in the rank of special secretary. It is the policy-making and administrative body for the Income Tax department.

There are five members in the Board at present with 1985-batch IRS officer Anuja Sarangi being the senior most.

The other members are Nitin Gupta and Sangeta Singh (both 1986 batch) and Pragna Sahay Saxena and Subashree Anantkrishnan (both 1987 batch). (PTI)
