### A THOUGHT...

A Thought is a seed, you sow thought, you reap action. You sow action, you reap habit. You sow habit, you reap character. You sow character, you reap destiny. A single positive thought for the nation can become destiny of the nation. We are relentlessly working on the thoughts for the welfare and betterment of the society by giving Honest and Sincere Educational Services free from Corrupt and manipulative practices for selfish interests. We believe non complying and unaided teaching identities like Coaching centres, private tuitions and commercially motivated Ed-techs are giving much harm to the educational infrastructure of the country.
