

Prasidh, Buttler send Rajasthan Royals to IPL final

AHMEDABAD, May 27: Jos Buttler extended his dream run this season with a record-equaling fourth hundred as Rajasthan Royals produced a ruthless performance to beat Royal Challengers Bangalore by seven wickets here on Friday and reach their first IPL final since the inaugural edition in 2008.

Pacer Prasidh Krishna (3/22) came back strongly from the hammering he received in the last game to help Rajasthan restrict RCB to 157 for eight in Qualifier 2 despite a stellar 42-ball 58 from Rajat Patidar.

most hundreds in a single season. Kohli had achieved that feat in 2016.

Royals take on IPL debutants Gujarat Titans in the final here on Sunday and would be looking to emulate the special feat of the 2008 batch which lifted the title under the inspirational leadership of the late Shane Warne 14 seasons ago.

The pitch offered extra bounce but after Buttler provided a flying start in the company of Yashasvi Jaiswal (21 off 13 balls), the Royals had the game in the bag.

RCB, who had raised hopes for a long awaited title with a

Buttler crossed the 800-run mark this season and dispatched bowlers to all corners in his match-winning effort comprising sixes and fours. Jaiswal, who smashed Siraj for two sixes and a four in the opening over, too played his part as the Royals raced to 67 for one in the powerplay.

Earlier, Patidar extended his stellar run in the IPL but his effort was the lone bright spot of the RCB innings as the other batters struggled on a tricky pitch.

Royals gained the upper hand by taking five wickets in the last five overs that went for only 34 runs.

After smashing a sensational hundred in the Eliminator, Patidar played with supreme confidence after high-profile openers Virat Kohli (7) and Faf du Plessis (25) failed to come up with impactful knocks.

Rajasthan Royals pace duo of Trent Boult (1/28) and Krishna were impressive throughout the innings.

While Boult got his inswingers going in the powerplay, Krishna, who had a horror night against Gujarat Titans in the Qualifier 1, got the ball to rise sharply from good length.

Kohli started with a spectacular six off Boult, a whip over deep square leg, before falling to a loose shot off Krishna. It was a wide ball that rose sharply and Kohli played away from his body to edge it to the wicketkeeper. The extra bounce contributed to his dismissal.

Patidar joined du Plessis in the middle and again played as if he was batting on a different surface. He was dropped by Riyan Parag at backward point early in the innings after he collected two fours off Krishna in the same over. Both were delightful strokes, the first being a cracking cut shot before a stunning back-foot punch between the cover and backward point (PTI)

Buttler (106 not out off 60 balls), the leading run getter of the tournament by a fair distance, then toyed with the RCB attack to ensure the Royals romped to victory in 18.1 overs. It was only fitting that Buttler hit the winning runs as he clobbered Harshal Patel for his sixth maximum.

India eye revenge against Japan in Asia Hockey Cup

JAKARTA, May 27: Having risen like a proverbial phoenix from the ashes, a rejuvenated Indian men's hockey team would like to put up a much-improved performance when it takes on Japan in its first 'Super 4' match of the Asia Cup here on Saturday.

Despite facing a below-par Indonesia in its final group league game, the young side coached by Sardar Singh must be lauded for being able to score a whopping 16 goals in just an hour.

It was one more than what India required to put a final nail in Pakistan's coffin as far as harbouring World Cup qualification hopes were concerned.

Both India and Pakistan finished on four points each in Pool A behind Japan but the defending champions qualified for the next round due to better goal difference (+1).

But it was not a smooth sailing for India in the first two matches. Having already qualified for next year's World Cup by virtue of being the hosts, India fielded an inexperienced team with as many as 12 debutants for the tournament to gain much-needed experience.

The young boys did not have the best of starts drawing 1-1 with Pakistan before losing 2-5 to Japan, which pushed them on the brink of elimination.

But the Indians were in no mood to bow out without a fight even as they stood at the point of no return. They staged a dramatic turnaround to keep alive their hopes of title defence.

They were also aided by Japan, who beat Pakistan 3-2 in their final match.

Their first goal achieved, the Indians would like to start afresh in

members for organizing such a programme. Prof Sandhya Bharadhwaj also expressed her views that we all should stop associating the word 'impurity' with the biological process of menstruation and the word 'period' should be considered as normal.

Anmol and Navjeev from Climate Front stressed on the need for creating awareness about menstruation so that it becomes a topic of discussion among people, so that a conversation starts among the youth which will help in eradicating the taboos and help change the lifestyle of women for the better.

The programme was coordinated and supervised by Prof Savita Jamwal, Dr Deepak Pathania, Prof Apfan Ali and Prof Rajni Bala.

Other, present on the occasion were Prof Barbara Kaul (HoD Commerce), Prof Archana Kaul (HoD English), Dr Jagmeet Kaur, Dr Roomi Rani, Prof Fayza, Dr Sarabjeet Kour Soodan, Prof Rishu and Prof Shipra Mahajan.

SPMR College organises 'Maasika Mahotsav'

JAMMU, May 27: Eco Club of Government SPMR College of Commerce organized a programme on "Maasika Mahotsav" in collaboration with Climate Front Jammu in the College premises, here today.

The programme was organized to sensitize the students and staff about the menstruation and the taboos associated with it.

Principal, faculty, along with more than 100 students of the College as well as volunteers from the Climate Front Jammu attended the programme where in various events including Kho-Kho and Santolia, nukkad natak and poetry recitation were organized.

Through the play, the audience was aware of embarrassment attached to blood stains on cloth or asking for a cloth pad from a shopkeeper. It gave out a strong message that we as individuals must try to eradicate the taboos associated with periods.

Prof. Ranjeet Singh Jamwal, Principal of the College appreciated the efforts of the committee
