

Two thieves, scrap shop owner arrested with stolen items

Excelsior Correspondent

JAMMU, Oct 31: Channi Himmat Police arrested two thieves and a scrap shop owner along with stolen items.

As per police sources, a complaint was lodged at Police Station Channi Himmat by a person named Rohit Sharma, son of Sat Pal of Delli, stating that on October 28 this year some unknown thieves stole his iron gate and gates of two more persons of same locality.

Acting over the complaint, a case FIR Number 152/2022 under section 380 IPC was registered at Police Station Channi Himmat and investigation started.

During the course of investigation, a team from Police Station Channi Himmat led by SHO Inspector Rajesh Khajuria and assisted by PSI Paramjeet Singh under the supervision of SDPO East Syed Zaheer Abbas Jafari.

The team did strenuous efforts and with the help of CCTV cameras footages of the area finally arrested two thieves, who were identified as Ankush Sharma, son of Rashpal Sharma of Delli and Rakesh Sharma alias Rinku, son of late Pritam Lal of Dori Tehsil Akhnoor District Jammu.

On their disclosure, the stolen items were recovered from the scrap shop located at Khara Tehsil Bari Brahmana District Samba. The scrap shop owner identified as Madan Lal, son of late Sai Dass, a resident of Khara Tehsil Bari Brahmana District Jammu has also been arrested.

Further investigation into the case is going on.

SC to examine decision to link electoral roll data with Aadhaar

NEW DELHI, Oct 31:

The Supreme Court on Monday agreed to examine a plea challenging the Centre's decision that enables linking electoral roll data with the Aadhaar ecosystem. A bench of Justices S K Kaul and Abhay S Oka tagged the petition filed by former Major General S G Vombatkere with a similar pending matter. "Petitioner has drawn attention to 2019 Aadhaar judgment to contend that only if some benefit is sought to be conferred then Aadhaar can be mandatory but not to deny rights, and the right to vote is the highest of such rights."

"Two other petitions have also been filed by him and there may be some overlapping. Thus, this requires tagging. Tag this petition with that matter," the bench said.

Senior advocate Shyam Divan, appearing for the petitioner, submitted that right to vote is one of the most sacred rights and it should not be denied if an individual lacks Aadhaar.

The Centre had earlier amended the Registration of Electors Rules to allow linking Aadhaar details with a voters list to weed out duplicate entries and make election law gender neutral for service voters. (PTI)
