major national force in the 90s, on his birthday today. Advani, the BJP's longest serving president, turned 95 today.

Modi and Defence Minister Rajnath Singh visited Advani's residence here to greet him.

After visiting Advani, Modi tweeted, "His contribution to India's growth is monumental. He is respected all across India for his vision and intellect. His role in building and strengthening the BJP is unparalleled. I pray for his long and healthy life".

Home Minister Amit Shah said Advani, with his relentless efforts, strengthened the party organisation across the country and also made invaluable contribution to the country's development while being part of the government.

Shah wished him good health and a long life.

Union minister Nitin Gadkari called Advani a source of inspiration. Singh said Advani has made a very important contribution to the country, society and the party and is counted among the country's tallest personalities.

Paying rich tributes to the veteran who groomed a generation of young leaders, BJP president J P Nadda described him as a leading light of Indian politics and a guide to party leaders. His life dedicated to the nation and the party is a source of inspiration to them, he said.

Born in 1927 in Karachi, now part of Pakistan, Advani joined the RSS at a young age and later worked for Jana Sangh where he made a mark with his organisational abilities.

## Education not business to earn profit: SC

NEW DELHI, Nov 8:

Education is not a business to earn profit and tuition fees shall always be affordable, the Supreme Court has said while upholding the Andhra Pradesh High Court order quashing the state government's decision to enhance the tuition fee in medical colleges to Rs 24 lakh per annum.

A bench of Justices M R Shah and Sudhanshu Dhulia imposed a cost of Rs 5 lakh on the petitioner, Narayana Medical College, and Andhra Pradesh to be deposited with the court registry within a period of six weeks.

"To enhance the fee to Rs 24 lakh per annum i.e., seven times more than the fee fixed earlier was not justifiable at all. Education is not the business to earn profit. The tuition fee shall always be affordable," the bench said.

The top court's observation came while dismissing a plea filed by the college against an order of the Andhra Pradesh High Court which set aside the government's decision to enhance the tuition fee of MBBS students.(PTI)
