

Surya consolidates top spot, Arshdeep surges to career-best 23rd in T20I rankings

DUBAI, Nov 9: In-form India batter Suryakumar Yadav consolidated his top spot in the batting chart, while left-arm pacer Arshdeep Singh climbed to a career-best 23rd position among bowlers in the latest ICC T20I rankings released on Wednesday.

In the bowling chart, making a quiet progress in Australia with his timely breakthroughs, Arshdeep has gained four slots to go to 23rd place, one behind his Pakistani counterpart Shaheen Shah Afridi.

Senior spinner Ravichandran Ashwin, on the other hand, has advanced five places to 13th after picking up three Zimbabwe wickets.

Meanwhile Sri Lankan mystery spinner Wanindu Hasaranga, who is the leading wicket-taker of the ongoing T20 World Cup, is back at the number one bowler.

Hasaranga, who took 15

wickets during Sri Lanka's Super 12 finish in the T20 showpiece, ended Afghanistan spinner Rashid Khan's reign at the top, regaining the number one spot that he last held in November last year.

In the all-rounder's rankings, Zimbabwe's Sean Williams is the only new arrival in the top 10, while Shadab Khan of Pakistan jumped 10 places to 15.

There is one new arrival in the top 10 of the rankings for bowlers too, with England's Adil Rashid rising to eighth, one spot behind his compatriot Sam Curran. (PTI)

India gear up to break knock-out jinx

ADELAIDE, Nov 9:

Only two steps away from the ultimate glory, India cannot afford to put a foot wrong as they square off against a formidable England on a tricky Adelaide Oval track in the T20 World Cup semifinal tomorrow.

While India have had better performances in the group stage compared to England, a high stakes, 'winner takes it all' contest like this always starts on an even keel.

England's premier all-rounder Ben Stokes has already admitted that they have not played their best cricket and the Indian team needs to ensure that a Jos Buttler and Stokes himself don't choose the semifinal to bring their A game to the fore.

History is also a bit against India when it comes to results at the business end of the ICC events.

Post 2013, Indian teams have struggled to cross the final two hurdles on multiple occasions - 2014

T20 World Cup final, 2016 T20 World Cup semifinals, 2017 Champions Trophy final and 2019 ODI World Cup semifinal.

Even though Rohit Sharma played in all those games, he wasn't leading the side back then and hence doesn't carry any baggage of disappointment as he enters the most critical phase of his full time captaincy.

Rohit (89 runs in 5 games) would like to forget the physical pain of being hit in the forearm as he wouldn't shy away from playing one pull shot too many if a fit Mark Wood or his likely replacement Chris Jordan digs it short.

The India skipper needs an

innings of substance in the competition and there couldn't be a bigger match than a semifinal to shut his detractors.

Virat Kohli would have a battle at hand against his old nemesis Adil Rashid, while Suryakumar Yadav's skills against Sam Curran's cutters will be an enticing match-up.

Stokes' all round abilities will find its match in Hardik Pandya, who has done his bit with the bat and ball in various games.

The intrigue of sub-plots embedded in the main narrative makes up for a heady build up as world No.1 India meets its ideal match in second-ranked England.(PTI)

Pakistan in T20 WC final after 7-wicket win over NZ

SYDNEY, Nov 9:

A rejuvenated Pakistan lifted their game when it mattered the most and stormed into the T20 World Cup final with a convincing seven-wicket win over New Zealand here today.

Pakistan first restricted New Zealand to 152 for four on a slow SCG track and then chased down the target with consummate ease, riding on skipper Babar Azam and Mohammad Rizwan's attacking fifties to book their place in the final after 13 years.

This will be Pakistan's third appearance in the T20 World Cup final. They had finished runners-up to India in the inaugural edition in 2007 before claiming the title two years later.

The win over New Zealand, last edition's runners-up side, also kept the prospect of a mouth-watering India-Pakistan final in Melbourne on Sunday alive, provided Rohit Sharma's men beat England in the second semifinal in Adelaide on Thursday.

Chasing 153, Babar rode on his luck to register his highest score in the tournament - 53 off 42 balls - while Rizwan made 57 off 43 deliveries as Pakistan romped home with five balls to spare.

Babar and Rizwan got

Pakistan off to a blazing start, going hammer and tongs against the Kiwi bowlers. Unlike New Zealand, the Pakistani openers looked at ease with the pace of the surface.

Known for their brilliant fielding, the Kiwis looked a different side on Wednesday as they struggled on the field.

Babar's innings, however, was far from convincing as he struggled initially. He got a life when at night when he pushed at an away-going delivery from Trent Boult in the opening over but Devon Conway grassed the one-handed chance.

Babar grabbed the opportunity with both hands and slowly got his game together, while Rizwan went ballistic from the word go.

The duo didn't give the likes of Boult, Tim Southee and Lockie Ferguson the chance to settle down, racing to 55 for no loss in powerplay.

Once the spin duo of Mitchell Santner and Ish Sodhi were introduced, Rizwan used the sweep shot well, while Babar was brilliant square off the wicket.

New Zealand finally got the breakthrough in the 13th over when Babar was holed out by Daryll Mitchell at long-on off Boult but by then Pakistan were comfortably placed at 105. (PTI)
