**India-EU trade pact: Next round of talks from Nov-end**  
 NEW DELHI, Nov 13:

The next round of talks between India and the European Union (EU) on a proposed free trade agreement, which aims at boosting trade and investments between the two regions, is scheduled to start from the end of this month, an official said.

India and the EU on June 17 this year formally resumed negotiations on the proposed agreement, after a gap of over eight years.

"The EU delegation will be here on November 28 for the third round of talks for India-EU Trade and Investment Agreement, including the Geographical Indications (GI)," the official said.

The second round of negotiations were held in Brussels. India's bilateral trade with the EU rose by 43.5 per cent to USD 116.36 billion in 2021-22.

At present, the EU is India's second largest trading partner after the US, and the second largest destination for Indian exports.

According to the commerce ministry, the trade agreement with the EU would help India in further expanding and diversifying its exports of goods and services, including securing the value chains.

Both sides are aiming for the trade negotiations to be broad-based, balanced, and comprehensive, based on the principles of fairness and reciprocity.

A GI is primarily an agricultural, natural or a manufactured product (handicrafts and industrial goods) originating from a definite geographical territory. Typically, such a name conveys an assurance of quality and distinctiveness, which is essentially attributable to the place of its origin. (PTI)

**Maintain Bhawani Nagar Park**  
 This is to draw the attention of the concerned department that the Bhawani Nagar Park needs to be maintained on regular basis without which its beauty gets defaced.

It may be mentioned here that this Park provides excellent ambience for the recreational activities, for yoga and for evening and morning walks. It provides great relief to the tired people who after a hectic day want to spend some time here.

However, absence of a gardener is a matter of concern. A gardener on permanent basis be deployed here who could maintain it properly. Otherwise, this beautiful park would lose its sheen in coming times and would turn into a barren piece of land as has happened with some other parks in the city.

**Sudesh Kumar**  
 Bhawani Nagar

**Acute water scarcity in Bharat Nagar Enclave Bantalab, Jammu**  
 There is acute shortage of drinking water in Bharat Nagar Enclave Bantalab for the last so many years as the supply of water to households is most irregular. In spite of bringing the matter in to the notice of Executive Engineer time and again by personal meetings and emails in grievances redressal, no action was taken by the department till date.

We are spending "our hard earned money to fulfil our daily needs of drinking water on the purchase" of water from private water tankers.

An underground water pipe laid decades earlier needs urgent replacement as the number of household has increased manifold. A 500 ft deep tube well dug previously within the vicinity of overhead water tank in Bharat Nagar Bantalab by ERA is defunct after running for a short period of time due to the reasons not known to us.

We request the concern authorities look into the matter personally and ensure the water supply on daily/alternate basis besides replacement of old underground pipe from the house of SK Bhat to the Mosque street and two bye lanes falling in between so that we may not suffer any more on this account.

**President**  
**Bharat Nagar Enclave**  
**Welfare Committee**  
**Bantalab, Jammu**

**Repair Durganagar road**  
 This is to draw the attention of the JMC authorities towards the Lane 14-A, Sector-II Durganagar which is presently in bad condition and has not been repaired for last 3 years. The top layer of the road is totally damaged and is not traffic worthy.

The road presents an ugly picture of the colony and needs to be repaired at the earliest.

We hope the authorities won't led down the residents this time keeping the urgency of the matter in view.

**Sahil Kumar**  
 Sector-2, Durga Nagar Jammu

**Laddan-Ossu-Pakhlai road in shambles**  
 The 17 Kms long (Eastward) Udhampur-Ossu-Pakhlai single lane vehicular road is in a shambles. The first stretch of about 5 Kms upto village Laddan needs repairs, patch work, clearance of choked drains, pucca drainage system protection walls, parapits, crash barriers and the like provisions.

While the remaining Kucha road ahead of Laddan upto Pakhlai is uphill and has all the painful shortcomings, it is expecially in hair-raising condition. At varied spots it has virtually turned into deep nullahs. The drivers on this route really deserve applause for their highly careful and cautious driving. Otherwise, the road openly invites horrible mishappenings at its every 'Do Gaz Ke Door'. It is truly difficult to portray the road's utterly grim condition here in words. Precisely, the road users of all shades and ages are not only facing tremendous hardships but grave threat to their precious lives as well. The road could be called 'Local' as the matadors also ply here on.

The concerned authorities, from top to bottom, should hurriedly pay their sincere attention towards the road that passes through the beautiful, agriculturally sound and thickly populated village Ossu. They should spare their valuable time from the busy schedules and pay personal visit upto Pakhlai to ascertain the road's factual position. The wait for the occurrences and losses of life and property is certainly not desirable. The bad road screams for its overall upgradation and regular maintenance for the public safety. It is an urgent matter relating to the winter/rainy season's preparedness also. Hence, the early and result oriented steps are solicited in the much serious issue.

**Repair ISKCON Temple street**  
 This is to draw the attention of the District Administration Udhampur towards the dilapidated condition of some lanes of Udhampur especially that of ISKCON Temple Street in Ward No. 8. This lane provides connectivity to a good number of residents. But due to its condition, it is causing great inconvenience to them. The lane needs urgent repairs as there is possibility of an untoward incident. The motorists are more prone to accident during night hours. Therefore, it is requested that this lane be repaired at the earliest.

**NIA investigating explosion on rly track**  
 UDAIPUR (RAJ), Nov 13:

An explosion occurred on a railway track here on Sunday, hours before the recently inaugurated Asarwa-Udaipur Express train from Ahmedabad was to pass. Police said they are investigating all angles, including sabotage.

Officials said mining explosives were used in the blast at Odha bridge near Kewda Ki Naal, which comes under the Jawar Mines police station of Udaipur.

"Local people informed us about the explosion in the morning. We have found some explosives on the track and efforts are being made to identify those responsible," Station House Officer (SHO) Anil Kumar Vishnoi said.

Railway Minister Ashwini Vaishnaw said the blast was reported about 35 km from Udaipur. "We have our best on the spot - ATF, NIA and RPF. The accused will be severely punished," he said.

The bridge restoration team is also on the site.

Rajasthan Chief Minister Ashok Gehlot said the incident was worrying and ordered Director General of Police Umesh Mishra to investigate the matter thoroughly. (PTI)

**Union Territory of Jammu & Kashmir**  
**Department of Industries & Commerce**  
**OFFICE OF THE GENERAL MANAGER**  
**DISTRICT INDUSTRIES CENTRE, KATHUA**

**Subject:-** Notices to the eligible industrial units for filing online application for registration under New Central Sector Scheme for Industrial Development of Union Territory of Jammu & Kashmir.

This is to inform all the Industrial Units that the Ministry of Commerce & Industry, Department for Promotion of Industry and Internal Trade, Government of India has announced New Central Sector Scheme for Industrial Development of Union Territory of Jammu & Kashmir vide Notification No. F. No. 1(1)/2020-SSS dated: 19.02.2021. In this context, some of the industrial units have filed their application online ([www.jknis.dpiit.gov.in](http://www.jknis.dpiit.gov.in)) for grant of registration under the scheme to avail the benefits envisaged in this policy. It is worth to mention here that the most of the industrial units are responding to the online queries raised by District Industries Centre, Kathua relating to their online application and their applications are being processed accordingly on verification of the documents uploaded by the applicants. However, many industrial units have neither uploaded all the requisite documents nor responded to the queries due to which this office is not able to process the applications further for registration. As such, it is advised to all the unit holders to visit the portal and respond to the queries raised by this office and upload the requisite documents at the earliest so that the applications can be verified and recommended for registration within stipulated time frame as envisaged in the procedural guidelines of New Central Sector Scheme for Industrial Development of Union Territory of Jammu & Kashmir. The list of such industrial units is mentioned below:-
