Manmohan pins hope on Amit Shah for granting OBC status to Jats

Excelsior Correspondent

JAMMU, Oct 3: Manmohan Singh, President All India Jat Maha Sabha (AIJMS) and former Mayor anticipated that Home Minister Amit Shah would satiate the aspirations of Jats in Jammu and Kashmir by granting OBC status before culmination of his visit to Union Territory.

Addressing a meeting of the community members here at village Seer Balah in Suchetgarh Constituency, the senior Jat leader said that AIJMS has high hopes from Home Minister Amit Shah with regard to granting OBC status to the Jat community longing for this genuine demand since last so many years.

In the meeting, the AIJMS President also listened to issues being faced by the local people residing in the area. After giving a patient hearing to the local demands and sharing the ways to address the same, the Jat leader said that the major issues which the Jat community is confronting right now include reservation under OBC category, ownership rights over the custodial land allotted to the families after Indo-Pak wars of 1965 and 1971 in Districts Kathua, Samba and Jammu, release of payment of Rs 5.5 lakh to the left over families and above all the grant of promised amount of Rs 25 lakh for one time settlement.

Later, Manmohan appealed to the people of Suchetgarh especially women folk to ensure participation in large number in the upcoming grand women convention which is scheduled to be held on October 9 at Gold Leaf Banquet Hall, Babliana, Gangyal in Jammu said that Jat women from across the Union Territory are participating in the grand women's convention.

During the meeting, AIJMS Suchetgarh Committee was also constituted in which Manjit

Manjit seeks OBC status, pol reservation for Jats in J&K

Excelsior Correspondent

JAMMU, Oct 3: Condemning BJP for misleading Jats, president, J&K Jat Sabha and former Minister, Manjit Singh today said that the Assembly constituencies which were dominated by Jat community for SCs in Jammu depriving the Jats of their political rights.

In a statement to the press issued here today, Manjit Singh said that the Jats were expecting reservation of Assembly constituencies from the Delimitation Commission but BJP played its role by depriving the Jat community from its constitutional right and reserving Assembly constituencies for the SCs even as Marh, Ramgarh, Bishnah, Suchetgarh, Kathua and other constituencies were dominated by the Jat community.

This was the first betrayal of BJP with the Jat community which has supported the BJP in all the elections thinking that they would fulfil their political aspirations by reserving Jat community constituencies in their favour, he added.

Singh further said that the Jats work as labourers and they do not have other means of earning. "The Jats do not have political representations. Accordingly, J&K Jat Sabha wanted to highlight the concern of the Jat community before the Union Home Minister Amit Shah during his visit, but they were not given time," he said.

He said that the BJP has deliberately ignored the genuine demands of the Jat community and did not grant them OBC status. "Jats are the most affected people of J&K who were displaced three times in the last seventy years i.e., in 1947, 1965 and 1971. They deserved reservation of constituencies but faced political conspiracy and its master mind is BJP," he added.

He also demanded OBC status for the Jat community which has been deprived of all the rights which should be given to them as per the constitution. He also demanded release of a pending financial package in favour of the DPs. "The DPs were promised Rs 25 lakhs but the amount was not released in their favour. Whereas, Rs 5.5 lakhs was not given to all the families. Many deserving families were left without financial compensation," he added.

"Jats also have an important role as their development, economic, educational and political issues need to be addressed in a time bound manner," he added.

Displaced youth protest, highlight problems

Excelsior Correspondent

JAMMU, Oct 3: Kashmiri Migrant Relief Holders and Over-aged Youth held a protest demonstration at Press Club here today under the leadership of Ravinder Koul and appealed the Home Minister, Amit Shah who is on

accordance to the geopolitical aspirations of the community. They said the community is facing through worst phase and the condition of its youth especially who turned over age is totally miserable and their future has turned dark as successive Governments did not show any

visit of Union Territory to look into their issue.

The protestors said that the relief holders are seriously concerned over constant delay in supply of ration. They also expressed serious concern over non delivery of ration to migrants for last four months and sought immediate intervention of the Government in the matter.

They said that the origin of the sufferings of displaced KPs lie in turmoil of 1990 but the Government since then failed to settle the issue of the Displaced Pandits who belong to over 5000 year old civilization whose contribution to Indian aesthetics is immense. They said it is unfortunate that the successive Governments at Delhi and J&K have totally ignored their plight and failed to take steps for its rehabilitation in last 34 years in

concern for their rehabilitation and settlement.

Though the community had pinned high hopes in present Government which took many bold steps in restoration of peace and weeding out of militancy from Kashmir but it too has also ignored hapless Displaced Pandits from Valley who has become refugees in their own country. The protestors urged the Government to put an end to their miseries by taking concrete steps in settling their problems by taking steps for their one time settlement.

Strongly advocating for hike in relief the protestors also demanded that the over aged youth be provided soft loans under various Central Government schemes to set up their business establishments so that they can stand up on their legs.

NC committed to promote secularism, communal harmony: Rattan Lal

Excelsior Correspondent

JAMMU, Oct 3: Rattan Lal Gupta, Provincial President National Conference Jammu has asserted that National Conference is fully committed to promote secularism, communal harmony and brotherhood across Jammu and Kashmir.

In a statement issued to media here today, the senior National Conference leader said that it is quite unfortunate that some political parties are working to create a narrative that will only divide the people. Without directly naming the party, he said that a political party on the forefront in this regard is leaving no stone unturned in dividing the people in J&K to fulfill its political agenda of establishing its Government in the Union Territory of Jammu and Kashmir. He added that every attempt is being made to divide the communities who are living together for the last so many decades but the National Conference cadre right from the grass roots level to the top will not allow such elements to succeed in their divisive endeavours.

Rattan Lal Gupta while castigating the Govt at the Centre as well as the Union Territory Administration for bringing only miseries for the common people said that the economy of Jammu and Kashmir has made a nose dive and is continuously going down due to the hollow policies of BJP Govt and its proxy rule in this Union Territory. Not only this, the unemployment rate has gone rocketing high during the BJP regime. He said that as per the data reported in leading local newspapers of Jammu, the unemployment rate in 2013-14 was 4.1 in men and 7.7 in women but today the unemployment rate has reached 25.75 in men in the state which seems to be a cause of serious concern that craves for immediate solu-

tion, he said.

The senior NC leader said that even the per capita income has fallen considerably in Jammu and Kashmir. Asserting that hollow slogans and anti people policies of the Government will not correct the unemployment rate in J&K, he said that youth can easily see that they have only a bleak future in front of them. He said that the Government has proved to be an utter failure in smooth lining the employment process which is evident from the fact that many lists including that of scrapping the SL FAA, recruitment of police border battalion etc have been cancelled as a result of which the genuine and intelligent aspirants have been made to suffer for none of their fault.

Rattan Lal Gupta appealed to the people to support National Conference and strengthen the hands its leadership Dr Farooq Abdullah and Omar Abdullah in the impending Assembly elections in J&K to get rid of all the miseries thrust upon them by the BJP Government.
