ous issues concerning the people of UT including amnesty in power bills, issues of industry, etc, refugees and Kashmiri migrants especially employees working in Valley.

However, the Home Minister informed the party leaders that they have to make people understand what Modi Government has practically done for them by taking on those dynasties which had looted the resources of the UT for decades together. He while highlighting the Government's achievements said that things are by and by improving for better.

The Union Minister also was of the opinion that the people should take part in democratic process by casting their vote as the responsible citizens of the country. "Those who are benefited from democracy have to vote to strengthen it", he added and regretted that some people who demand benefits shy away from

casting their vote in elections.

Ashok Koul, BJP general secretary (Org) detailed Union Home Minister and gave entire feedback of party's performance and activities in the UT.

The Core Group also termed today's rally at Rajouri a remarkable with huge participation of the people.

Meanwhile, BJP co incharge J&K, Ashish Sood said that Home Minister has categorically pin pointed three dynasties which were responsible for pushing the people of the J&K to wall. He said these three dynastic parties Congress, NC and PDP were responsible for 33 year long turmoil in J&K as they befooled and misguided the people for their vested political interests. He said the Home Minister was forthright in saying that these three parties have to be fought politically by not allowing them to come to power again in the UT if we have to build a prosperous J&K.

Imtiyaz Ahmad Kandoo is a Hizbul Mujahideen member and has been involved in managing finances for terrorists, supplying arms and ammunition to ultras and narcotics smuggling.

Kandoo coordinated attacks, in which many security forces personnel and civilians were killed.
