

Krunal stars in LSG's 5-wicket win over SRH

LUCKNOW, Apr 7:

Krunal Pandya shone with an all-round show while his captain KL Rahul chipped in with the bat as Lucknow Super Giants notched a comprehensive five-wicket win over Sunrisers Hyderabad in their Indian Premier League match here on Friday.

Krunal first produced a superb spell of 3/18 with the ball to restrict SRH to a paltry 121 for 8 and then contributed 34 off 23 deliveries with the bat to help LSG chase down the target with 24 balls to spare in a low-scoring match.

He stitched 55 runs with Rahul (35) for the third wicket to take the game away from the SRH's reach. By the time, Krunal was out in the 13th over, LSG needed just 22 runs to win. The home side eventually reached 127 for 5 in 16 overs.

Rahul hit four fours during his 31-ball knock while Krunal's innings was studded with four boundaries and one maximum.

Rahul and Romario Shepherd (0) were out off successive deliveries bowled by Adil Rashid (2/23) in the 15th over but that was just delaying the inevitable. (PTI)

* BOMIS hosts opening of initiation ceremony Cricketer Jayasuriya inaugurates Cricket Academy, VR Lab

Excelsior Sports Correspondent

JAMMU, Apr 7: Jammu's first 'Virtual Reality Lab' was inaugurated at BOMIS Jammu on the occasion of the 'Initiation Ceremony' by Legendary Sri Lankan Cricketer Sanath Jayasuriya as chief guest, here today.

The inauguration ceremony was conducted in presence of Dr Panna Manhas Choudhary, Chairperson of the School and board members along with proud parents.

Principal Aparana Kohli welcomed and addressed the chief guest and esteemed gathering where she explained the vision behind setting up of the VR Lab. She said, "The reason behind installing this high profile lab is to provide students with innovative learning experience with a combination of technology and education"

"The VR lab is equipped with the latest technology and offers an extensive collection of immersive educational content in the realms of science, maths and social science and other disciplines," said Kohli .

A talk show was organized by the BOMIS students which kept the waiting spectators enthralled with their wit and humour as they vied with each other to impress and put their best foot forward in front of Sanath Jayasuriya. All the National level winners of the

School, in the field of various fields were felicitated by the chief guest.

Meanwhile, Sanath Jayasuriya also inaugurated the Cricket Academy, which is an of youth and to realise the cherished dreams," Jayasuriya said while addressing the audience.

He also emphasized the need to channelize their potential and talent in a positive direction which is found in every nook and corner of India and which if nurtured and facilitated can produce many more brilliant Cricketers. He spent quality hours with the budding cricketers, sharing technical nuances that would go a long way in turning aspiring cricketers to professional sportsmen.

School Principal Aparana Kohli expressed her deep gratitude to Sanath Jayasuriya for sharing important tips with the budding sportspersons and providing them the opportunity to nurture their enthusiasm and be a vehicle of commitment towards the same.

APS starts 'Vidyanjali Yojana' initiative

Excelsior Correspondent

JAMMU, Apr 7: Army Public School Kaluchak undertook 'Vidyanjali Yojana'- an initiative taken by the Ministry of

Education, Govt. of India, here today.

The School rendered its humble assistance by collaborating with a Govt. School in its vicinity and participated in voluntary School service to contribute towards the exchange of requisite material and equipment to strengthen the selected Govt-aided institution.

This initiative was executed in true letter and spirit under the aegis of Brig GPS Johal, Chairman APS Kaluchak and was launched by Puja Sharma, Vice Principal of the School. The School collaborated with Govt. Higher Secondary School located in Kaluchak paved the way towards bolstering the quality of education, infrastructure

and amenities in the opted school.

The initiative connected 35 children from grade VII and VIII with the School and provided them the much-needed opportunity to connect, reflect, share and also encouraged them about the dire need of developing scientific temperament, cultivating rationality, inquisitiveness, open-mindedness, critical thinking and objectivity so as to enable them to be at par with others.

The highlights of this initiative were: Distribution of books for cultivating a habit of healthy reading amongst the children. Visit to all laboratories (Physics, Chemistry and Biology) in order to provide a 'hands-on' experience to the learners and to present the complex concepts in a lucid manner to enhance its coherence and others.

The major hallmark of the initiative was the utilization of Atal-Tinkering Lab where the children of APS Kaluchak presented their National-level Science Model to provide representations of the technological and scientific concepts to make the ideas more understandable.

They taught the children the dynamics of assembling and dismantling a model, its working mechanics and the varied innovative ideas used for its creation.

They taught the children the dynamics of assembling and dismantling a model, its working mechanics and the varied innovative ideas used for its creation.

Foundation Day celebrated

Excelsior Correspondent

JAMMU, Apr 7: Chalk and Duster-My First School celebrated its Foundation Day in the School premises, here today.

The School management celebrated the Day by cutting the cake with students and their parents on the occasion. Principal and Director of the School, Anika Mohan elaborated the various milestones achieved by the School in the short span of the time.

She interacted with the parents of the students and informed them about the future programmes of the School for the holistic development of their wards.

In the end, the Principal thanked the parents for entrusting the School to groom their children and make them a better citizen.
