### Jammu Tawi Rly Stn to be inspired by famous Raghunath temple: PM

located in heart of the Jammu City and is thronged by large number of people including local, tourists and those coming from abroad. Majority of pilgrims visiting holy cave shrine of Mata Vaishno Devi Ji also throng Raghunath temple.

He virtually laid foundation stone of three Railway Stations in Jammu and Kashmir including Jammu Tawi, Udhampur and Budgam.

The function at Budgam was attended by Lieutenant Governor Manoj Sinha while in Udhampur it was joined by Union Minister of State in the Prime Minister's Office (PMO) Dr Jitendra Singh. Lok Sabha MP from Jammu-Poonch Jugal Kishore Sharma addressed the function at Jammu Tawi Railway Station.

"All these three Railway Stations will be redeveloped at the cost of Rs 294 crore," the officials said.

"Every Railway Station will be a symbol of modern aspirations of the country along with ancient heritage," Modi said and mentioned strengthening of the 'Bharat Gaurav Yatra Trains' which connect places of historical relevance and pilgrimages.

The redeveloped Railway Stations will have State-of-the-Art facilities like multiple entrance gates, platforms, Escalators, lifts, facilities for specially abled persons, , restaurants, cyber cafes, Wi-Fi, help centres for senior citizens etc.

A total provision of Rs 24,470 has been kept for redevelopment of 508 Railway Stations.

Jammu and Udhampur receive large number of trains from different States/Union Territories carrying large number of pilgrims to Shri Mata Vaishno Devi Ji cave shrine daily besides Kashmir-bound tourists as the Valley is yet to be connected by the train.

Budgam Railway Station will also be redeveloped along with 508 Stations in the country. Trains have been running daily between Banihal to Budgam and vice versa.

A number of trains from different States and UTs have also been reaching directly to Katra, the base camp of Shri Mata Vaishno Devi Ji shrine. However, Katra already has latest facilities required for a Railway Station.

Most of the Railway Stations constructed/or being constructed on Katra-Baranulla Railway Line are already modern Stations, the sources said, adding the Central Government is quite confident that train will reach Kashmir valley either by the end of this year or start of next year.

Meanwhile, Jugal Kishore Sharma, Member of Parliament BJP Lok Sabha Jammu attended the virtual foundation laying function by Prime Minister Narendra Modi at Jammu Tawi Railway Station and laid foundation stone for Redevelopment of Jammu Tawi

Railway Station under Amrit Bharat Station Scheme.

Addressing the gathering, Sharma said that efforts were made for development & extension of Jammu Tawi Railway Station and today "we are getting fruitful results." He said that Modi Railway Station will be now modernized and redeveloped under Amrit Bharat Station Scheme and it is for the first time when a big budget has been allocated for modernization of Railway Stations.

In his address, Prime Minister Narendra Modi accused the opposition of playing "negative politics" and said now the entire country is rooting for corruption, dynasty and appeasement to 'quit India'.

He alleged a section of the opposition is driven by the principle of neither working nor letting others work. "Unfortunately, in our country, there is a section of the Opposition who even today won't do anything themselves and won't allow others to do anything either. They are stuck with this attitude.

"In 70 years, they did not construct a war memorial for martyrs but when we built one they did not even feel ashamed of criticising it publicly," he said.

"Away from the negative politics, we have taken the task of nation's development as a mission and given it the top priority without caring for vote bank and party politics," he said.

At present, the Prime Minister said, the Central Government is also running a campaign to provide jobs to 10 lakh youths through 'Rozgar Mela'.

"This is the picture of a changing India where development is presenting new opportunities for the youths, and the youths are giving new wings to the development of the country," he added.

Referring to the Quit India Movement anniversary on August 9, Modi said it was a historic day that created new energy in India's struggle for Independence.

Today the whole country is roaring 'Quit India' for every evil, corruption, dynasty and appeasement, he said.

"Inspired by the Quit India Movement, the entire country is now roaring Quit India for every evil, saying 'corruption, quit India', 'dynasty, quit India', 'appeasement, quit India'," Modi said.

The PM mentioned the upcoming Partition Horror Remembrance Day and acknowledged the contribution of the people who gathered themselves after the shock and are contributing to the development of the country. "This day gives us the responsibility of keeping our unity intact."

"Our Independence Day is the time to reiterate our commitment to our Tricolour and the progress of our nation. Like last year, this time also we have to hoist the tricolour at every house," he said, urging the youth of the country to participate in the Har Ghar Tiranga Campaign in the run-up to Independence Day.

### 3 groups of militants active in Rajouri-Poonch: ADGP

Identity of the militant hasn't been established so far but recovery of Pakistan-made items from his possession indicated that he could be a foreign terrorist.

One more terrorist is present in the village and an encounter is on," he said, adding the seizure from the encounter scene, including raincoats and food items, indicated that they were trained to survive in jungle conditions.

He referred to the killing of six terrorists in recent encounters, including four in the Surankote area of Poonch on July 18, and said attempts to disturb the peaceful atmosphere by pushing terrorists into the Indian side is going on unabated from across the border.

"We are making double efforts to thwart their attempts and wipe out terrorism from the region," Singh said.

Asked about the plan of the terrorists, he said it is a matter of investigation. "A thorough investigation and analysis will be carried out after the encounter."

On the possible involvement of the slain terrorist in the Dhangri attack where seven civilians were killed in January, the officer said, "It is also part of the investigation. We will call the eyewitnesses for identification of the slain terrorist."

Singh said strict action is being taken against Over Ground Workers of the terror groups. "Several of them have already been booked under the Public Safety Act while we are also keeping a constant vigil on suspected persons."

He added, "Action will be taken against any Over Ground Worker whose linkage will be established during the investigation of the latest encounter."

Major General Trivedi credited the success against the terrorists to the synergy among the Army, police and other sister agencies and the cooperation of the people.

"The operations against terrorists will continue to ensure they do not get a foothold. The terrorists were feeling that they will operate with ease but we have covered them," he said, adding anyone having any ill will against the region or the country will be dealt with sternly.

The Army officer said the induction of homemade new firearms and night-vision devices have improved the capability of the forces and "we promise to ensure a peaceful atmosphere."

He added the slain terrorist is their safety and security.

In a communication, Joint Commissioner of Police, Special Police Unit for North East Region, New Delhi, PN Khirney, said though many people belonging to the Northeast, Ladakh, Gorkhas of Darjeeling are residing in various locations of the national capital, no specific data are being maintained by any agency or organisation, according to an official release issued by the Assam Government.

For better policing and safety and security of the people from Northeast region, Ladakh and Gorkhas from Darjeeling residing in Delhi, the Special Police Unit for North East Region (SPUNER) has urged them to furnish information, the release said.

Khirney, in his communication, said the move to collect data is being done for better policing and ensuring their safety and security.

The IPS Officer requested the residents to fill up a Google form: <https://forms.gle/1JNane5eWJBcd339> for enlisting their names with other details.

There were reports that there could be one more militant with him. However, there has been no further contact between security forces and militants after yesterday's encounter when one of the militants was killed.

Security personnel didn't suffer any casualties in the operation.

Addressing a press conference in Rajouri this afternoon, Additional DGP Jammu Zone Mukesh Singh accompanied by General Officer Commanding (GOC) Romeo Force Major General Mohit Trivedi and DIG Rajouri-Poonch range Dr Haseeb Mughal said about three groups of militants, each comprising two to three ultras, are operating in Rajouri and Poonch districts.

He said security forces are determined to wipe out terrorism from the region.

Singh also said security agencies are making twice the effort to thwart the attempts to push militants from across the border.

"Two or three groups of militants are believed to be present in the (Pir Panjal) region. Each group comprises two to three militants but divulging their exact number is difficult," he said.

"Some terrorists were noticed in the Gunda-Khawas village of Budhal and, accordingly, a police party rushed to the village, besides informing the Army. When a cordon-and-search operation was launched, the terrorists opened fire, which was retaliated by the joint troops of the police, Army and the CRPF, resulting in the killing of a terrorist," Singh said.

had been this type of project scheme launched prior to 2014 when BJP Government was not in power at Centre, the Udhampur could have never been part of it, as this region was totally neglected by the previous Governments during their over 65 year rule.

It will be the Amrit Bharat Railway Station where all latest facilities will be available to passengers, he added.

Centre to hike DA by 3 pc for employees and pensioners is worked out on the basis of the latest Consumer Price Index for Industrial Workers (CPI-IW) brought out by the Labour Bureau every month.

The Labour Bureau is a wing of the Labour Ministry.

Talking to PTI, All India Railwaymen Federation General Secretary Shiva Gopal Mishra said, "The CPI-IW for June 2023 was released on July 31, 2023. We are demanding a four percentage point hike in dearness allowance. But the dearness allowance hike works out to be a little over three percentage points. The Government does not factor in hiking DA beyond the decimal point. Thus DA is likely to be increased by three percentage points to 45 per cent".

He further explained that the expenditure department of the Finance Ministry will formulate a proposal to hike DA along with its revenue implication and will put up
