

Launch of stealth frigate 'Vindhyagiri' in Kolkata sign of 'Atmanirbhar Bharat': Murmu

KOLKATA, Aug 17: stealth frigate for the Indian navy, 'Vindhyagiri' by Kolkata's Garden Reach Shipyards as a construction of an advanced

symbol of India's self-reliance in shipbuilding, President Droupadi Murmu on Thursday launched the ship at the dock on the banks of the river Hooghly here.

She also said that the production of the advanced frigate was a symbol of Atmanirbhar Bharat and of technological advancement made by the country. "The launch is a symbol of self reliance in ship building," the President said, adding that projects like these reflect India's "commitment to self reliance and technological advancement".

"I am very happy to be here at the launch of Vindhyagiri. This event also marks a move forward in enhancing India's maritime capabilities," the President said.

"We are now the fifth-largest economy in the world, and we are now striving to be the third largest in future... A huge part of our trade goods transit through the seas. This fact highlights the importance of the oceans in our growth and well-being," she said.

The security in the Indian Ocean region and the larger Indo-Pacific has many aspects, she said, while underlining the mandate of the Indian Navy in protecting India's maritime interests.

West Bengal Governor CV Ananda Bose and Chief Minister Mamata Banerjee were also present on the occasion.

This is the sixth of seven ships built under 'Project 17 Alpha' for the Navy.(PTI)

Verification of SIM card dealers mandatory; bulk connections discontinued to curb frauds: Ashwini

NEW DELHI, Aug 17:

In a bid to check digital frauds, the government has made verification of dealers selling SIM cards mandatory and discontinued the provision of issuing bulk connections, Union minister Ashwini Vaishnaw said on Thursday.

Earlier, while announcing the new measures, the minister had said that the government has made police verification of SIM card dealers mandatory.

He later clarified that the verification of SIM card dealers will be carried out by "the licensee" or the respective telecom operator and added that a penalty of Rs 10 lakh will be imposed on violators.

In a widespread crackdown against SIM card related digital frauds, the minister said that the government has disconnected 52 lakh mobile connections. While 67,000 dealers have been blacklisted, 300 FIRs have been registered against SIM card dealers since May 2023.

Further, the Minister said WhatsApp on its own blocked

around 66,000 accounts that were involved in fraudulent activities.

"Indisputable verification of SIM dealers will be mandatory to curb frauds. Penalty of Rs 10 lakh will be imposed on dealers found violating norms," Vaishnaw said.

The verification will be done by telecom operators who will

collect the details of each business owner and his business related documents for verification before appointing a dealer.

Earlier, detailed documentation of dealer was not prescribed in the rule.

Vaishnaw said that there are 10 lakh SIM card dealers and they will be given sufficient time for verification.(PTI)
