

NEW DELHI, Feb 2:

Parliament was adjourned for the day today after the Opposition stalled proceedings in both houses, demanding a JPC or a Supreme Court-monitored probe into the allegations of fraud and manipulation against billionaire Gautam Adani's companies that have triggered an unprecedented stock crash.

A united opposition, led by the Congress, raised the issue as soon as the houses commenced for the day with their MPs giving adjournment notices for a discussion on the issue.

The chair in both the upper and lower house rejected the notices, prompting opposition leaders to question the presiding officers on procedures and asking what could be more serious than demanding a discussion involving hard-earned money of Indians in LIC and SBI invested in the Adani group stocks.

Lok Sabha Speaker Om Birla denied the request for dis-

Adani row rocks Parliament: Opposition demands JPC or SC-monitored probe, stalls proceedings

cussion, asking members to "not to make unsubstantiated claims" while Rajya Sabha chairperson, Vice President Jagdeep Dhankhar, rejected notices, saying they were "not in order".

Adani Group stocks have taken a beating on the bourses after the US short-seller Hindenburg Research made a litany of allegations last week in its report, including fraudulent transactions and share price manipulation at the Gautam Adani-led group, which has denied the charges.

The market losses of the Adani Group have risen to nearly USD 103 billion (about Rs 8.5 lakh crore).

Congress president and Leader of Opposition in Rajya Sabha Mallikarjun Kharge led the charge in the upper house, with nine MPs of various parties giving notices under rule 267

seeking suspension of the day's business to discuss the Adani-Hindenburg issue.

In the Lok Sabha too, the opposition MPs stormed the well forcing adjournment within minutes of the house meeting and then again soon after lunch. Leaders of several parties including the Congress, DMK, TMC, SP, JD(U), Shiv Sena, CPI(M), CPI, NCP, IUML, NC, AAP and the Kerala Congress, earlier held a meeting in the morning in Kharge's chamber in the Parliament, where they strategised their plan.

Kharge told reporters that the opposition parties have also called for day-to-day reporting of the JPC or the SC-monitored probe into the issue as it concerned public money invested in Adani stocks which have taken a beating on the markets ever since the Hindenburg charges came out.

"Keeping public interest in mind, we want a thorough probe into the Adani issue either by the JPC or the Supreme Court-monitored probe. There should also be day-to-day reporting of the investigation on the issue," Kharge said.

The Adani group has denied all charges and called the report malicious and full of lies and termed it a "calculated attack" on India, its institutions and its growth story.

It said the report was driven by "an ulterior motive" to "create a false market" to allow the US firm to make financial gains. Hindenburg has rejected Adani's charge and has stood by the allegations made in the research report.
