

Govt clears conversion of Voda Idea's Rs 16,133 cr dues into equity

NEW DELHI, Feb 3: With this conversion, the government is expected to become the biggest shareholder in the loss making telecom firm with 33.14 per cent stake.

The Government cleared conversion of Rs 16,133 crore interest dues of debt-ridden Vodafone Idea into equity after receiving a firm commitment from Aditya Birla Group to run the company and bring necessary investment, telecom minister Ashwini Vaishnav said on Friday.

Throwing a lifeline to the troubled telco, the government has approved conversion of over Rs 16,133 crore interest dues of Vodafone Idea into equity

Government will get around 33 per cent stake in the company.

The order from the Department of Telecommunications (DoT) comes after a legal opinion advised in favour of picking stake in VIL even after the shares are trading below Rs 10.

From being the biggest telecom operator after merger of Vodafone and Idea into single entity, with 43 crore mobile subscriber base accounting for 35 per cent market share in 2018, the debt-ridden company has slipped to be a distant third telecom operator. (PTI)

Haryana govt employees to get medical reimbursement for Ayurvedic treatment

CHANDIGARH, Feb 3: patient.

Vij said that the way a doctor diagnoses a patient before prescribing allopathic medicine, similarly a scientific diagnosis should also be performed before prescribing Ayurvedic medicines as well.

He said the state government is making consistent efforts to promote Ayurveda and yoga on a large scale.

During the recent cabinet meeting, a decision of giving separate status to the AYUSH Department was taken which led the department to hold its own identity on the lines of other departments.

To promote yoga, a Yoga Commission has been formed by the state government. The government has taken a pledge to set up yogashalas in 6,500 villages of the state. Meanwhile, 1,000 yogashalas have been built and the construction of the rest is underway, he said. (PTI)
