

UT administration finalising District Indicator Framework: Raghav

Excelsior Correspondent

JAMMU, Feb 4: The Directorate of Economics & Statistics, J&K, under the guidance of Planning Development & Monitoring Department (PD&MD) conducted one day regional workshop on Sustainable Development Goals (SDG) at Convention Centre here today regarding finalisation of District Indicator Framework.

A team of experts from UNDP and NITI Aayog also participated in the workshop and provided necessary guidance and inputs about preparation and finalisation of District Indicator Framework. The workshop was attended by the designated district officers from all the districts of Jammu division including respective Chief Planning Officers and District Statistics & Evaluation officers who actively participated and helped in freezing the District Indicator Framework for the year 2023.

After freezing the DIF, a dashboard will be developed on these indicators to monitor and rank the districts on a periodic basis. Delivering the keynote address, Secretary Planning, Development & Monitoring, Dr Raghav Langer, emphasised the importance of finalising the District Indicator Framework for creation of J&K SGD District Index and its future use besides linkage with budget earmarking. He stated that the UT administration is encouraging proactive disclosure of information and that monthly reports are submitted to the Lieutenant Governor for review. He highlighted that information would become publicly accessible and that it will be used as a basis for judging the government's performance and functioning of departments.

Dr Langer underlined the significance of transparent data systems and emphasised that it would become difficult to fabricate information. He mentioned that a live dashboard of district indicators would be created enabling members of the public, media and other stakeholders to critically analyse the system. The dashboard would include various reports including sector, intra and inter district data and institutional delivery would be subject to scrutiny. The dashboard will help formulate outcome-based budget allocation, he said. He emphasized that the era of passive expenditures was coming to an end and that the new system would eventually be followed by all governments. He encouraged departments and district officers to thoroughly study the framework and respond with their inputs.

DC Baramulla chairs Civil Military Liaison meet

Excelsior Correspondent

BARAMULLA, Feb 4: To ensure better coordination between Civil administration and the armed forces in resolution of various issues of public importance in Baramulla district, the Deputy Commissioner (DC) Baramulla, Dr Syed Sehrish Asgar today chaired a first of its kind Civil Military Liaison meeting at Dak Bungalow Sopore.

issues of public importance and directions were passed for implementation of decisions taken on the spot. It was given out that installation of street cameras and solar lights at various significant locations of Sopore town will be taken up for execution. The meeting also discussed relocation of street vendors of Sopore town wherein DC directed for demarcation of land to relocate/rehabilitate the street vendors.

Among officers of Army including COs of 22 RR and 32 RR, the meeting was attended by Senior Superintendent of Police Sopore, Shabir Nawab; President Municipal Council Sopore, Masarat Kar; Joint Director Planning, Mohammad Yousuf Rafter; Assistant Commissioner Revenue Baramulla, Peerzada Mumtaz Ahmad and other concerned functionaries. In her opening remarks, Dr Sehrish showed her satisfaction for the transformation of Sopore and its adjoining areas besides extending her appreciation to all the concerned officers who worked with dedication for the betterment and development of the town.

Dr Sehrish directed MC Sopore to regulate street vendors through registration and capping. Among other vital issues, a detailed discussion was held on road dividers in the area during which it was decided that portable dividers will be placed at prominent spots for their mobility during any exigency. Road connectivity in Rafiaband sector and demarcation of land for Slaughter house at Sopore was also discussed in detail. Moreover, it was also deliberated that the Drug De-addiction center should also be executed at Sopore so that proper counseling of the victims would be possible in the area.

She spelt out the importance of holding the civil military meeting for better coordination and armed forces in resolution of various issues of public importance. During the meeting, the DC resolved various developmental

Meanwhile, Officers of Army and Civil administration also spoke on the occasion wherein it was deliberated that the coordination and liaison between civil and military forces is important for the progress and prosperity of the district. BJP vice president, Yudhviri Sethi sitting on protest along with shopkeepers of Pargalta on Saturday.

People having small chunk of land for livelihood be exempted: Yudhviri

Excelsior Correspondent

JAMMU, Feb 4: Expressing concern over the eviction drive initiated by the administration against the encroachments by the vested elements and mafia on Government land, Yudhviri Sethi, vice president, Bharatiya Janata Party (BJP) Jammu and Kashmir urged the J&K administration not to harass the people having small chunks of land, using it for their livelihood. In this regard, Yudhviri Sethi today joined the local shopkeepers of Pargalta in Jammu East constituency who staged protest against the eviction notice issued to them by the administration.

poses especially commercially using the land for multiplying their already mammoth assets leaving the common people high and dry. Sethi said that after abrogation of Art 370, the Jammu and Kashmir Government repealed Roshni Act to stop such a blatant and gross misuse of this law. He said that it is an open secret that big sharks got hundreds of Kanals of land transferred in their names under the Roshni Act and this is against the basic tenets of the democracy. Sethi said that since all the big sharks who benefitted from the misuse of Roshni Act belong to the political parties like National Conference, PDP, Congress therefore the leaders of these parties are feeling highly upset by the order of the Government issued in full compliance of law. Asserting that there is dire need to take action against the big sharks, Sethi appealed to the J&K administration further tighten the noose against them and get them dispossessed of the State land grabbed under Roshni Act or otherwise. However he made a fervent appeal to the Lt Governor, Manoj Sinha not to take any action against such people who are holding small chunks of land and are using the same for their livelihood.

The senior BJP leader said that Roshni Act was introduced to benefit the farming community but the same was misused by the then NC regime by allowing agricultural land go into the hands of influential people and using it for non-agricultural purposes especially commercially using the land for multiplying their already mammoth assets leaving the common people high and dry. Advisor Umang Narula chairing a review meeting in Leh on Saturday.

Advisor Narula reviews dev projects

Excelsior Correspondent

LEH, Feb 4: Advisor Umang Narula here on Saturday reviewed the progress of various developmental schemes and projects being implemented in the border villages of Ladakh. He stressed the need to compile a more comprehensive baseline survey of all the border villages of Ladakh with emphasis on livelihood analysis, history of the villages, record of pasture lands, the relationship between villages and adjoining villages, the changes that have occurred in these villages over the years, as well as the best practices of the border villages. Deputy Commissioner, Leh, Shrikant Suse appraised the Advisor of various completed and ongoing projects through a presentation, including infrastructural and service-level developments. The Advisor was further informed by Administrative Secretary Ravinder Kumar that a total of 206 pre-fabricated shelters have been provided in the Changthang region, while Poly Carbonated greenhouses have also been built in few of the vil-

lages. While reviewing the status of services such as mobile ambulances and mobile veterinary ambulances, Advisor Narula directed the concerned departments to ensure that the vehicles are equipped with GPS tracking devices and monitor their movements regularly. He stated that schools and colleges must conduct exposure tours to the border regions and also stressed on frequent visits of officials and holding meetings not only at blocks but also in the villages. Facilitating the active role of PRIs to conduct Gram Sabha meetings on relevant topics such as water, sanitation, strengthening of Self Help Groups (SHGs) and development of tourist facilitation centers for exhibition and sale of local products was emphasized by the Advisor.

Sikhs condemn 'wrongful' arrests in Wazir murder case

Excelsior Correspondent

JAMMU, Feb 4: Some Sikh members of the civil society in Jammu and Kashmir have condemned the 'wrongful' arrests of Sardar Sundershan Singh Wazir, H S Raina and Jagpal Singh, they said and also demanded Narco tests as well as Brain Mapping tests of all accused so that the truth can come out. Describing the trio as three respected and well-known members of the Sikh community having an absolutely clean background and no criminal history, they said that investigating agency has wrongfully implicated them in the tragic murder of Sardar T S Wazir, who was found dead in New Delhi last year. Talking to media persons, here today, Sardar Rajinder Singh alleged that the Crime Branch and Police were being misled by a third party which perhaps has monetary, business or political motivations and intention to gain out of this situation. Raising a question mark on the murder conspiracy theory, he drew attention towards the confession of prime accused Harmet Singh, who stated that he shot and killed T S Wazir in a fit of rage on hearing about the deceased's plans of getting Harmet Singh and his son killed and the subsequent acceptance of this confession by the Delhi Crime Branch in their charge sheet submitted to the court last year. He reiterated that Sardar Sundershan Singh Wazir was given a clean chit by the Crime Branch in all their investigations due to absence of any evidence of conspiracy. "Hence, we request the investigating agencies to have a

JMC to have own Budget

Mayor directs officers for e-offices, online services

Excelsior Correspondent

Mayor JMC, Rajinder Sharma chairing a meeting of officers on Saturday.

JAMMU, Feb 4: In an unprecedented move Jammu Mayor, Rajinder Sharma has taken the revolutionary step of bringing all the services of Jammu Municipal Corporation (JMC) at online mode and converting all its offices into e-offices. The announcement was made by the Mayor while chairing the meetings of Executive Committee and Finance and Planning Committee of Jammu Municipal Corporation here, today. "To put an end to the red-tapism existing in the offices of the Local Urban Body, e-offices should be made functional to provide services within 15 days," the Mayor directed officers of JMC. Rajinder Sharma said that e-offices will usher an era of transparency as in the absence of such a system it becomes prerogative of a clerk to prioritise files which is mostly done on considerations of illegal graft. He further said that e-offices will also reflect the performance of officers and officials as time taken for file clearance shall be easily known and such offices can be monitored from any-

Office. On functioning of Tree Authority, the Mayor said that all the permissions regarding cutting of trees, their trimming etc shall now be sought from JMC. It is pertinent to mention here that the proposal for constitution of Tree Authority was submitted by Rajinder Sharma in shape of a resolution in the General House meeting when he was a Councillor and thereafter forwarded to the Government which approved it and the Tree Authority was constituted. Mayor said there shall be a special session for budget of JMC and every section/department of JMC shall give their expenditure details which shall be discussed in the pre budget meeting. He said that lanes and drains in Jammu Smart City shall now be made on modern lines with sewerage line to be laid at one end of the lane. Apart from this separate drain will be made for rain water to be linked to a facility for rain water harnessing and another drain shall be there for waste waters from households-toilet, bathroom and kitchen waste waters, the Mayor said. The lanes shall be made of pre-cast materials for durability, he added.
