### Budget has something for all: PM

enced by polls) even though it was the last full-fledged one before next year's Lok Sabha election. Overall development and the interests of every section of the society have driven the budget proposals, he added.

Even those who are ideologically opposed to the Bharatiya Janata Party (BJP) have welcomed the budget, Union Minister Pralhad Joshi told reporters, quoting Modi's speech to the MPs.

Asking the MPs to inform their constituents, including the poor and middle class, about the relevant aspects of the budget, Modi recalled his electoral experiences as the Chief Minister of Gujarat to say that when work is recognised by people, there is nothing like anti-incumbency, sources said.

Underscoring the wide acceptance of the budget, the prime minister said it is at times difficult to cater to everyone's taste at a family function of merely 25 guests, but the budget proposals have managed to meet the expectations of different sections

### India hits out at Pak for raking up Kashmir

in India's Permanent Mission to the UN, Rajesh Parihar, said on Monday that Islamabad repeatedly utters falsehoods about India.

"I'm constrained to take the floor to respond to the frivolous remarks made by the representative of Pakistan against my country. While such a statement deserves our sympathy for a mindset, which repeatedly utters falsehood, it is important for me to set the record straight," he said in the UNGA.

Parihar said irrespective of what the representative of Pakistan believes or covets, the Union territories of Jammu and Kashmir and Ladakh were, are and will always be an "integral and inalienable" part of India.

"We expect nothing new from this delegation that harbours a deep sense of insecurity and orchestrated hatred for India and our secular credentials and values that my country stands for," he said.

### Protests in PoJK's G-B area for power supply

People have taken to the streets in utter rage to protest the Government. As a result, traffic was halted and commuters are experiencing many difficulties.

If the uninterrupted electricity supply is not restored, protesters have issued a harsh warning that they will keep the highways blocked during the next demonstrations, local media reported.

They are protesting against the sharply rising inflation and unemployment.

This comes as Pakistan faces an economic crisis. Citizens hit by floods and the country's food crisis have long remained silent witnesses to the failure of leadership at all levels.

People have for the past several months, been protesting against the high-handedness of the army which controls the region like its colony. The army is responsible for large-scale land grabbing and usurping of mineral mines in the region.

China and Pakistan business houses, in the name of China Pakistan Economic Corridor, have

of the society in a country of more than 130 crore people.

Modi highlighted his involvement with budgets over the years, noting that he has been associated with about 25 of them, including as the Gujarat Chief Minister between 2001 and 2014, and 10 of them, including interim budgets, at the Centre.

The Prime Minister also asked the MPs, especially those from cities, to organise sports meets, noting that there is a view that youngsters in urban centres are not much involved in sports.

Modi has repeatedly asked lawmakers to organise sports meets. In his address, Modi said India has organised about 20 G20-related meets at different places so far and foreign guests have appreciated their conduct.

He also spoke about a devastating earthquake that hit Turkey and Syria and noted that India is providing all possible assistance. Modi also recalled a 2001 earthquake in Gujarat, noting the scale of the tragedy and how he can relate to the situation in these countries. (PTI)

abrogated Article 370 of the Constitution to revoke the special status of Jammu and Kashmir on August 5, 2019. India's decision evoked strong reactions from Pakistan, which downgraded diplomatic ties and expelled the Indian envoy.

India has categorically told the international community that the scrapping of Article 370 was its internal matter. It also advised Pakistan to accept the reality and stop all anti-India propaganda.

India has told Pakistan that it desires normal neighbourly relations with Islamabad in an environment free of terror, hostility and violence.

At the outset, Parihar, in his remarks, conveyed India's condolences to the families in Syria and Turkey, who have suffered loss of lives and destruction due to the devastating earthquakes.

"India stands in solidarity with the people of Syria and Turkey, and is ready to offer all possible assistance to cope with this tragedy," Parihar said. (PTI)

### Revisit Accreditation guidelines: PCJ to Govt

General, Zorawar Singh Jammwal, Vice President, Channi Anand, Secretary Finance, Vishal Bharti, Nishikant Khajuria, Deepak Khajuria, Dinesh Mahajan, Ajay Meenia, Kunal Shrivatsa and Govind Chouhan, all Members, it was observed that formalities asked for Accreditation of journalists should be cut short to facilitate the scribes to apply for it.

The Management Committee observed that Accreditation can be renewed in favour of all those who were already holding it till 2020 when the annual renewal process was stopped by the Information Department as such journalists fulfil all preconditions and formalities.

"As far as the grant of accreditation to new journalists/photo journalists etc is concerned, a limited set of formalities can be sought and not too many which are beyond the compliance of many scribes," the Management Committee said.

The Press Club of Jammu was of the view that senior journalists including the Press Club of Jammu Management Committee, which is the only elected body of the journalists in the Union Territory of Jammu and Kashmir, should have

been taken into confidence by the Government as well as Information Department before issuing new Accreditation Rules and a long list of formalities to be submitted along with the application.

The Management Committee of the view that it is better that the Information Department keeps Accreditation suspended like it has done for past three years instead of asking for large number of formalities which the always busy journalists in Jammu and Kashmir are unable to comply with.
