UGC develops portal to track qualitative reforms by Higher Edu Institutions

NEW DELHI, Feb 15: The University Grants Commission has developed a portal to track qualitative reforms by the country's higher education institutions, Chairman M Jagadesh Kumar said on Wednesday.

The portal — Undertaking Transformative Strategies and Actions in Higher Education (UTSAH) — will be launched by the month's end to monitor the implementation of the new National Education Policy.

The portal has been developed in consultation with stakeholders comprising institutions, universities, colleges, IITs, NITs and INIs, Kumar said.

All higher education institutions (HEIs) shall be required to log in to the portal and furnish information on the various activities under the umbrella of the 10 thrust areas, he added.

"The portal is expected to effectively track and support the implementation of the National Education Policy, 2020, and its strategic initiatives across the country's HEIs," Kumar said.

The portal will gather information from the HEIs in 10 major thrust areas, which include multidisciplinary; digital empowerment and online education; skill development and employability; research, innovation and entrepreneurship; promotion of Indian languages and Indian knowledge systems and internationalisation of education. Ensure effective compliance of ban on e-cigarettes: Centre to states

NEW DELHI, Feb 15: The Union Health Ministry has written to states to ensure effective compliance of government's ban on e-cigarettes, expressing concern that these devices are still available online and at local vendors.

In a letter addressed to chief secretaries of all States and Union territories, the Ministry said instances of devices like e-cigarettes being sold at convenient/stationary stores near educational institutions have also been reported, which is resulting in easy access by young children to such products.
