DRDO official held for sharing defence info with Pak spy

BALASORE, Feb 24: A senior official of the Defence Research and Development Organisation (DRDO) was arrested on Friday for allegedly sharing secret information related to India's defence sector with a Pakistani spy, the Odisha Police said. The 57-year-old official was posted at the DRDO's Integrated

Test Range (ITR) at Chandipur in Odisha's Balasore district, it said. Chandipur has two DRDO test ranges -- PXE (Proof and Experimental Establishment) and ITR. India evaluates the performances of its missiles, rockets and air-borne weapons systems at these two ranges. "A senior employee of ITR-Chandipur has been arrested. He managed to transmit some sensitive information regarding missile tests to a foreign agent," said Himansu Kumar Lal, the Inspector-General of Police (Eastern Range). The official was arrested on the basis of a complaint filed at the Chandipur police station, he said. The details of the information he shared could be ascertained after a thorough interrogation, said Balasore's Superintendent of Police (SP) Sagarika Nath. A case has been filed against him under IPC sections 120A and 120B (criminal conspiracy), besides the Official Secrets Act, police said. He was allegedly sharing sensitive defence-related information with a Pakistani agent for "sexual as well as monetary gratification", they said. WhatsApp chats and sexually explicit photos and videos were found in his phone, which was seized, they added.(PTI)
