

Cong now considering east-to-west yatra

NAVA RAIPUR, Feb 26: Ramesh said. It may not have such an elaborate infrastructure that was mobilised for the Bharat Jodo Yatra and may have less yatis, he said.

He said it would largely be a padayatra but there are jungles and rivers on this route. "It would be a multi-modal yatra, but mostly it would be a padayatra," Ramesh said.

He said that with elections in Karnataka in April, rains from June and again state polls in November, the yatra may have to be undertaken before June or before November. (PTI)

Ramesh told that an east-to-west yatra, probably from Pasighat in Arunachal Pradesh to Porbandar in Gujarat, was being considered but its format could be a bit different from the Bharat Jodo Yatra.

"There is a lot of enthusiasm and energy. I also think personally it is needed but the format of the east-to-west yatra may turn out to be different from the format of the south-to-north Bharat Jodo Yatra,"
