

# Cong seeks discussion on China in Budget session of Parliament

NEW DELHI, Jan 27: The Congress on Friday took serious note of a research paper presented at the DGP-IGP annual conference, alleging that it has exposed the Government's "weak-kneed approach" towards China and demanded a discussion on the issue in the Budget session of Parliament.

Pawan Khara asked Prime Minister Narendra Modi to spell out if he is still "afraid" of China or still "loves" the country. Addressing a press conference, he said PM Modi's clean chit to China has been shredded into pieces by a Police Meet security paper, alleging that the Modi Government's "continued denial" of Chinese illegal occupation and construction of infra-

structure has emboldened China and compromised India's national security.

"The DGP-IGPs conference exposes the Modi Government's 'weak-kneed approach' towards China," he alleged, noting that the recent three-day conference attended by PM Modi, Home Minister Amit Shah and National Security Advisor Ajit Doval "ironically exposed Modi Government's absolute apathy" to what was happening in eastern Ladakh at the LAC with China.

The Congress leader alleged that a detailed security research paper submitted for discussion has revealed shocking facts about the rank apathy by the Modi Government to China's illegal occupation of India's territory in the region.

He claimed that the report says that India has lost access to 26 out of 65 patrolling points (PP) which was not the case before May 2020 and the subsequent Galwan clash where 20 bravehearts sacrificed their lives.

"The Congress asks why after 17 rounds of military talks, the Modi Government has not ensured status quo ante even after almost three years of the Galwan clash? Given the fact that a DGP level paper has flagged this highly sensitive issue, will the Modi government tell the nation why it has conceded India's rightful hold on our territory to China," he asked.

Khara also alleged that the Modi Government did not heed to Congress' demand for a discussion in Parliament on this issue, asking if it will continue to keep the country in the dark or tell the nation the truth about China's "illegal occupation".

"We demand immediate discussion on this issue in Parliament, in the forthcoming Budget session. India's territorial integrity and sovereignty is at stake and we should do everything possible, together to uphold it. Enough of 'clean chits' to China, now, the time has come for Modi government to come clean on China," he said.

The Congress leader claimed that the paper says, "Presently, there are 65 PPs starting from Karakoram pass to Chumur which are to be patrolled regularly by the ISFs (Indian Security Forces). Out of 65 PPs, our presence has been lost in 26 PPs (i.e. PP no. 5-17, 24-32, 37, 51,52,62) due to restrictive or no patrolling by the ISFs. (PTI)
