JAMMU, Jan 27: Bali Bhagat, senior Bharatiya Janata Party (BJP) leader and former Minister has asked the Congress leader and Member Parliament, Rahul Gandhi to clear stand on the statement of a prominent leader of his party asserting that if Congress comes to power it would give Rs one crore each to the families of the terrorists killed by the security forces.

In a statement issued here, today, the senior BJP leader while questioning the nationalistic credentials of Congress asked Rahul Gandhi whether the spirit behind such anti-national and venomous statements is the ideology of Congress. He lamented that the Congress leader, Shageer Ahmad went to the extent of saying that Congress would see that all the terrorists kept in jails are released.

As if all this was not enough, the shameless Congress leader crossed all the limits by saying that Congress Government would even bring in some new laws so that the officers who killed the terrorists are punished with death sentence.
