**PM Modi cautions against attempts to create divisions in the country**

NEW DELHI, Jan 28:

Prime Minister Narendra Modi on Saturday cautioned against attempts to sow differences and create divisions in the country but asserted that such efforts will not succeed.

Addressing a rally of the National Cadet Corps (NCC) at the Cariappa Ground in Delhi Cantonment, Modi said the mantra of unity was the only way for India to achieve grandeur.

The Prime Minister said that the entire world was looking towards India because of the youth of the country.

"This is the time of new opportunities for the youth of India. Everywhere it is evident that India's time has arrived," Modi said addressing the NCC cadets who took part in the Republic Day celebrations.

At the same time, the prime minister urged caution against attempts to divide the country.

"Desh ko todne ke kai bahane dhoonde jaate hai. Bhaanti, bhaanti ki baatein nikal kar. Maa Bharti ki santano ke beech main doodh mein daraar kame ki koshishe ho rahi hein (Several pretexts are being raised to break the country. Several issues are raked up to create divisions among the children of Mother India)," the prime minister said.

"Despite such efforts, there will never be differences among the people of India," he said.

"Maa ke doodh main kabhi darar nahi ho sakti," he said.

"For this, the mantra of unity is the ultimate antidote. The mantra of unity is a pledge as well as India's strength. This is the only way India will achieve grandeur," the prime minister said.

The Prime Minister's remarks came against the backdrop of the raging controversy over a BBC documentary on the 2002 Gujarat riots that has been banned in India.

Modi lauded the NCC cadets who participated in the Republic Day celebration and said the priority for the country would always be the young people who

are brimming with energy and enthusiasm.

He said the youngsters have immense opportunities as his government was encouraging private participation in space and defence sectors where start-ups were making huge strides.

Modi said his Government had unleashed a digital revolution, a start-up revival and an innovation revolution.

He highlighted the reforms in the defence sector, saying assault rifles that were imported earlier were now being manufactured within the country.

The Prime Minister said fast-paced border infrastructure work was taking place and it would

open a new world of opportunities and possibilities for the youth. Modi said it was also a time of great possibilities for the daughters of the country.

"Police and paramilitary forces have witnessed the number of women doubling in the last eight years. The path has been paved for the deployment of women on the frontiers of all three armed," he said.

"First batch of women cadets has started training at the National Defence Academy in Pune and 1500 girl students have been admitted in Sainik Schools which were thrown open for the girl students for the first time," Modi said. (PTI)

**Govt must clear air over allegations against Adani Group: Mayawati**

LUCKNOW Jan 28:

BSP supremo Mayawati on Saturday said the Central Government should clear the air over financial irregularities allegations levelled by Hindenburg Research against the Adani Group.

Hindenburg Research, a US-based investment research firm that specialises in activist short-selling, has alleged that Adani Group was "engaged in a brazen stock manipulation and accounting fraud", a charge the conglomerate described as malicious, unsubstantiated, one-sided and having done with malafide intention to ruin its share-sale.

Mayawati said, "For the past two days, a negative report of American firm Hindenburg in relation to Adani Group and its effects on stock market etc is in discussions more than the Republic Day. The hard-earned money of crores of people of the country is involved but the Government is silent."

"After the allegation of cheating etc in shares, Adani's property and world ranking has decreased, but people are more worried about what will happen to the huge investment made by the Government in his group. What will happen to the economy? Restlessness and worry is natural. The solution is needed," she said in a series of tweets. (PTI)
