

**Govt notifies new policy for manpower**

deputation of employees based on their technical/professional qualifications.

The policy was today notified by the General Administration Department by order of the Government of Jammu and Kashmir. Services which will not be covered under the policy include All India Services, Jammu and Kashmir Administrative Service, J&K Police Service, J&K Accounts Gazetted Service and J&K Forest Gazetted Service.

"The policy shall govern the deputation of employees possessing higher educational/technical qualifications outside their parent departments where their specific skill-sets/qualification can be put to better use, consistent with the requirements of the borrowing departments," the GAD order issued by its Secretary Dr Piyush Singla, said.

As per the policy document, developmental departments like Public Works (R&B), Agriculture Production, Rural Development and Panchayati Raj, Housing and Urban Development, Information Technology etc are facing dearth of technically and professionally qualified employees but there is a large pool of skilled employees in the Government whose services are currently being under-utilized.

"In order to ensure efficient utilization of human resources, and with a view to match demand and supply for improving efficiency in governance, a need has been felt to utilize the services of these qualified (technical/professional) employees effectively. This shall address the skill-

gaps in various technical/developmental departments and provide employees an opportunity to put their specific skill-sets to the best possible use," the Government order said.

It added that initiation for process of utilization of services of qualified (technical/professional) employees shall be at the level of department that intends to utilize the services of an employee with such qualifications as may be suitable for better functioning of the department or at the level of the employees (technical/professionally qualified) who is desirous of providing his/her services in such a department where their qualification/skill-sets may be better utilized.

"An employee desirous of offering his/her technical/professional services to another department may visit a designated window, which shall be made available on the e-HRMS portal, through his/her CPIS ID and relevant certificates/degrees/diplomas. The employee shall also provide reasonable justification as to his/her services shall be better utilized in the department where they intend to provide the services," the GAD order said.

Alternately, the order read, the department that intends to utilize the services of technically/professionally qualified employee may submit an application in format prescribed for the purpose along with details of the employees whose services they intend to utilize, to the Screening Committee, headed by the Administrative Secretary, General Administration Department.

The GAD, in turn, will seek comments of the parent department of the employee in all cases.

The Screening Committee will also have representatives from Planning, Development and Monitoring Department, Finance Department, parent/lending department and the department where services of employee are to be utilized. The representatives will not be below the rank of the Additional Secretary.

"Services of an employee will be initially utilized on deputation for a period of one year from the date the incumbent employee is relieved from the parent department. However, the period of utilization of services may be extended, provided both parent and borrowing departments mutually agree upon the extension," the order said but added that decision of the Screening Committee shall be final and binding regarding extension in deputation.

The extension will, however, be confined for a maximum period of one year at a time. However, the maximum term of deputation shall not, under any circumstances, exceed four years.

As per the Government order, employees who qualify for and provide their services on deputation shall be granted incentives in the form of age-relaxation and additional weightage in recruitment against higher posts by the Government recruitment agencies.

"The employees whose services are utilized in another department shall retain their lien and promotion prospects in their parent department," the order said.

**61 killed, 150 injured in Pak terror attack**

restive northwestern Peshawar city, killing at least 61 people and wounding more than 150 others, mostly policemen, officials said.

The powerful blast occurred inside the mosque in the Police Lines area around 1.40 pm when worshippers, which included personnel of the police, army and bomb disposal squad - were offering the Zuhr (afternoon) prayers.

The bomber who was present in the front row blew himself up, causing the roof to collapse on the worshippers, officials said. Capital City Police Officer (CCPO) Peshawar Muhammad Ijaz Khan said 61 people have been killed in the blast.

He said that 300 to 400 police officials were present in the area at the time of the blast. "It is apparent that a security lapse occurred," he told the media.

At least five sub-inspectors and the mosque's prayer leader Maulana Sahibzada Noorul Amin were among the dead.

Lady Reading Hospital officials said more than 150 people were injured.

The Tehreek-e-Taliban Pakistan (TTP), known as the Pakistani Taliban, claimed responsibility for the suicide attack, saying it was part of a revenge attack for slain TTP commander Umar Khalid Khurasani who was killed in Afghanistan in August last.

A police official said that a portion of the mosque collapsed

and several people were believed to be under it.

"We are currently focused on the rescue operation. Our first priority is to safely retrieve the people buried under the debris," in-charge Rescue operation Bilal Faizi said.

The bomber entered the highly secured mosque inside police lines where four layers of security were in place.

Provincial Police chief Moazzam Jah Ansari said they are investigating the blast and how the bomber entered the highly fortified mosque.

He expressed the apprehensions that the bomber might have been residing in the police lines before the blast as there are family quarters too inside the police lines.

The headquarters of the Peshawar Police, Counter-Terrorism Department (CTD), Frontier Reserve Police (FRP), Elite Force and telecommunications department are also located near the blast site.

Prime Minister Shehbaz Sharif and Army chief General Asim Munir dashed to Peshawar to review the relief and rescue operation.

The premier along with the army chief also visited the Lady Reading Hospital in Peshawar and inquired after the health of the injured. Interior Minister Rana Sanaullah and other officials were also present. (PTI)

**OFFICE OF THE EXECUTIVE ENGINEER PWD (R&B) DIVISION BASOHLI NOTICE INVITING TENDER(3RD CALL)**
